WILD SCRAMBLE FOR VOTES IN CINCINNATI.

Columbus, Ohio, Dec. 31.—While the friends of both Senator Foraker and Senator Hanna are each now claiming that they have the votes to organize the legislature, the truth is that neither side has them, though neither is short more than four votes of having a majority of the caucus. Representative Willus, of Hardin county, who is claimed by both sides, but who asserts that he has not placed himself in either column, says there are nine members of the house who have not taken a position and that upon their attitude, yet to be announced, depends the result of the organization in the house. Every possible influence is being brought to bear by both factions upon these doubtful members, who admittedly hold the key to the situation.

Senator Foraker, in a talk over the telephone with one of his lieutenants here, expressed the greatest satisfaction with the present situation, and appears to have the utmost confidence in the final outcome. Senator Hanna, on the other hand, is equally confident of the ability of his friends to organize the house. It is announced here that George B. Cox, of Cincinnati, will come to Columbus Friday and take the field for Price for speaker. Price is the Foraker candidate. The potent influences behind Price's candidacy are Senator Foraker, George B. Cox, Charles L. Kuraz and the state brewers' association, besides Congressmen Beidler and Burton, of Cleveland; Nevin, of Dayton, and Kyle, of Troy, the latter of whom is to reach Columbus today to take up the fight of Sheriff Scobey, of Miami county, the Foraker candidate for clerk of the senate.

FIGHT IS TRANSFERRED.

Cincinnati, O., Dec. 31.—The fight between the Foraker and the Hanna republicans, for control of the Ohio legislature was transferred today to Cincinnati, by the arrival of Lucas county representatives from Toledo, and Hanna leaders from Columbus. The chase of one faction by the other was exciting. Two Toledo members were considered doubtful. All had decided to vote as a unit. The anti-Hanna men had representatives in Toledo for some days working with the Lucas county members and two of them, Harold Frazer and John C. Jones, left Toledo last night for Cincinnati. Representative Demuth, of Toledo, and Samuel Cohen, chairman of the Lucas county republican committee, were in Columbus last night when they heard Frazer and Jones had gone to Cincinnati, and they also started for Cincinnati. The four reached Cincinnati on different routes this morning and happened to register at the same hotel at the same time. Demuth is a pronounced Hanna man. Cohen is one of the Hanna leaders. Meantime, John R. Malloy, the Hanna manager, and others arrived from Columbus at the same time and registered at another hotel. The Lucas county representatives were closeted with Senator Foraker at his offices in the Carew building during the forenoon, while Malloy, Cohen and others were watching every turn of events. The Toledo men left at 8 o'clock last night and it was after 2 o'clock this morning when Malloy, Cohen, Demuth and others at Columbus got a message notifying them of the departure from Toledo and all reached Cincinnati at the same time. While there was much stir around the Carew building and the hotels over the visit of the Toledo delegates, a call was issued at noon for a meeting of the Hamilton county senators and representatives at the Blaine club at 4 p. m., when George B. Cox will be present. The Hamilton county delegation has also adopted the unit rule.

Representatives Demuth, Frazer and Jones called on Senator Foraker at first together. Afterwards Frazer and Jones were alone with the senior senator till they left for Toledo at 1 p. m. After the conference all refused to be interviewed, but the Foraker men are claiming that the unit rule has been broken in Lucas county and that Frazer and Jones will support Price for speaker, while Demuth will support McKinnon. Malloy, Cohen and others deny that the Lucas county members have made any such change.

WILL NOT CLOSE AT 9.

Some time ago several members of the Retail Druggists' association inaugurated a project looking to the closing of all drug stores at 9 o'clock p. m., on week days, and at 8 o'clock on Sunday, and for a time it seemed that the new rule would be adopted. In the light of later developments, however, there is a disposition among the druggists, as one stated today, to "let well enough alone," and it is probable the matter will never come to a vote at the association meetings.

SENATOR SEWELL IS BURIED

IMPRESSIVE SERVICES HELD IN CAMDEN, N. J.

Many Distinguished Personages at the Funeral—Obsequies of Martial Character.

Camden, N. J., Dec. 31.—The funeral of the late United States Senator William Joyce Sewell took place today from the Sewell mansion in this city. From 10 until 11 o'clock the public was permitted to view the body and thousands passed around the bier. The services were conducted by Bishop John Scarborough, of the Protestant Episcopal diocese of New Jersey, assisted by Rev. R. A. Roderick, of this city. At the conclusion of the services eight sergeants from the Third regiment, and Battery B, National Guard of New Jersey, carried the casket to a caisson provided by the war department, and the cortege proceeded to Harleigh cemetery, where interment was made.

General Brooke, of the military department of the east, was in command of the government troops, and Brigadier General William H. Cooper was in command of the state troops.

At the grave a salute of thirteen guns was fired. After the reading of the committal services the body was lowered into the grave and another salute was fired. Among the honorary pall-bearers were Secretary of War Root, Adjutant General Corbin, Governor Voorhees, Governor-elect Murphy, ex-United States General Griggs, A. J. Cassatt, president of the Pennsylvania Railroad company, and Clement A. Griscom, president of the International Navigation company.

In addition to the United States senators and representatives who came to attend the funeral there were present a large number of distinguished and prominent men from New Jersey and adjoining states. All of the county and city offices and most of the business houses were closed from noon until 1 o'clock.

WINDING UP AFFAIRS.

The auditorium committee held its final meeting last evening, closing up the affairs of the project and adjourned sine die. This committee was named some months ago by the Commercial club to raise funds with which to erect a large auditorium building in the city, and the story of its earnest, but fruitless labors is familiar to all the readers of the Fort Wayne daily press. Chairman Beers presided at the meeting Monday evening, and Secretary Monning and Treasurer Wilson made reports showing subscriptions that had been made both in cash and notes. The committee directed the secretary to notify all cash subscribers to call upon Mr. Wilson, at his office on Court street, present their receipts and receive a return of the cash paid into the fund. Secretary Monning was directed to destroy all notes remaining in his possession February 1, 1902.

CARS MAY TURN TONIGHT.

A big force of workmen of the Fort Wayne and Southwestern company is busily engaged today in laying the new Y at the north side of Taylor street and just east of Broadway. The tracks are laid but temporarily, and it is hoped to have the work completed so that cars may be turned at this point beginning this evening. The Y will be used until weather permits further track-lying along Taylor street and Fairfield avenue, when a Y will be installed on Bass street.

PRESIDENT ROOSEVELT'S MESSAGE WILL ANSWER.

THE SITUATION DISCUSSED

BY SECRETARY HAY AND THE GERMAN AMBASSADOR.

Washington, Dec. 31.—Secretary Hay's views as to the proposed German program in Venezuela was communicated to the German government in the shape of a written memorandum. This supplemented verbal exchange that had taken place in Washington between Ambassador Von Holleben and President Roosevelt, directly, and between the ambassador and Secretary Hay at greater length. The state department positively declines to make public the memorandum or its substance, but it is pointed out again that the basis of the United States representations is to be looked for in the utterances of President Roosevelt in his annual message to congress touching the Monroe doctrine in its application to South American countries which do not pay their debts.

Nothing has been heard from Caracas to sustain the report that United States Minister Bowen, through urgent representations, has induced a postponement of the execution of the German program. It is certain that no instructions to that effect have been given Mr. Bowen, though it is admitted that it would be the duty of any United States minister to exercise all of his powers, within the lines of the general policy of this government, to prevent possible bloodshed. Confirmatory evidence is had from unofficial sources of the purpose of the German government at least to delay action against Venezuela until the issue of the present revolutionary movement directed against President Castro.

THE PHILIPPINE COMMERCE.

Washington, Dec. 31.—If congress follows the recommendation of the war department, commerce between the United States and the Philippine islands, and among the islands themselves, will be thrown open to foreign bottoms for an indefinite time. Already there is pending in the house legislation looking to the exemption of the traffic between the Philippines and the United States from the operation of coastwise shipping laws, which requires all trade between United States ports to be carried in American bottoms. At the instance of the war department this measure will be amended so as to place the inter-island traffic on the same footing. Meanwhile, pending conclusive action by congress, the treasury will continue the order suspending the application of the coastwise shipping laws to Philippine commerce.

CALLED TO INDIANAPOLIS.

Henry B. Monning this forenoon received a telegram from Indianapolis, signed jointly by P. J. Falion and County Treasurer J. H. Rohan, asking him to come to Indianapolis by the first train to accept a first-class position they had secured for him. The telegram did not state the character of the position, simply saying that it was open for him and directing him to come without delay. Mr. Monning split no hairs, but left for the capital this afternoon. His host of friends will be glad to know of his good fortune.

NEW YEARS AT GRACE CHURCH.

The annual congregational meeting of Grace Reformed church will be held tomorrow morning at 10 o'clock, preceded by a devotional meeting at 9:30. The Aid society will meet at 3 o'clock. In the evening, from 5 to 9:30, the men of the church will give their annual supper. The men will have entire charge of the supper and an elaborate bill of fare will be presented.

BIG MINING CONSOLIDATION.

Denver, Col., Dec. 31.—Final details have been arranged for the organization of the United Rico Mines company, with $3,600,000 capital, which will absorb the Enterprise, Rico, Aspen and all the other principal mines, mills and smelters in the Rico, Col., district. The total acreage included in the consolidation is over 1,000. The company is a close corporation and the amount of capitalization represents practically the market value of the properties involved, with the addition of a sum of cash paid into the treasury by the various interests for development. The majority of the mines are silver properties.

REPUBLICAN LOVE FEAST

PARTY LEADERS OF STATE IN INDIANAPOLIS.

Fairbanks Says the Party is Without Divisions and Beveridge Echoes the Sentiment.

Indianapolis, Dec. 31.—At the conference of the republican leaders of the state held here today, Senator Fairbanks reviewed the work of the republican party in Indiana and declared it had a most honorable record. "Its north star," he said, "had ever been tht public interest."
ever been the public interest."

"An important campaign lies immediately before. I have never seen the party in this great state more eager for the contest or more confident of the result. We will meet it upon the high plane or principle; it shall be a contest of principles and we shall set republican fulfillment against democratic prophecy. We shall offer good men for the people's suffrage and we invite our political adversaries to do likewise.

"We meet with no trace of factional disturbances. With the party harmonious and united throughout the state this is indeed a happy augury. It forecasts certain republican victory."

Senator Beveridge said that the glorification of the republican party was always beautiful and at a love feast of party workers it was appropriate. It was therefore with pleasure that he re-echoed and applauded the sentiments of his distinguished colleague.

FATAL DOMESTIC FUED.

Ironton, O., Dec. 31.—As the result of a quarrel today between Frank Wilson and his father-in-law, Frank Monning, at the latter's home three miles from here, Monning shot Wilson's right arm off with a shot gun. Wilson drew a revolver with his left hand and shot Monning, killing him instantly. It was several hours before Wilson secured medical attention and he will probably die.

Omaha, Neb., Dec. 31.—Mrs. Beder Mina, a Syrian woman, was today bound over to the district court, charged with murder in the first degree, as an accessory to the killing of Najeb Saidy during a riot in the Syrian colony November 30. She is charged with having placed a knife in the hands of Joel Bardaweel, who is alleged to have stabbed Saidy to death. Bardaweel escaped and had not been arrested. Mrs. Mina furnished a $3,000 bond and was released.

Dr. Schaffer, of Baltimore; Pereira Mendez, of Chicago, and Rev. Dr. Sarasohn, of New York, represent the United States. Rev. Dr. De Sola, of Montreal, is the Canadian representative on the committee.

REGRET GAGE'S RETIREMENT.

New York, Dec. 31.—The board of United States general appraisers has adopted appropriate resolutions expressing regret because of the retirement of Lyman J. Gage from the post of secretary of the treasury.

Mrs. Barber, of 92 East Butler street, will be at home Friday afternoon in honor of Mrs. W. M. Cutler, of Jackson, Mich.

AN INSANE DEED

FIVE PERSONS SHOT BY ONE CRAZY MAN.

TWO OF THE VICTIMS DEAD

WIFE AND THREE CHILDREN CHOSEN FOR DEATH.

KILLED SON ON SICK BED

JEWELER AT TURNERS FALLS, MASS., RUNS AMUCK.

Turners Falls, Mass., Dec. 31.—Louis Bitzer, a jeweler of this place, today shot five persons, two of whom, his clerk, Miss Ida Columbe, and Bitzer's five-year-old son, are dead. His other victims were his wife, Christina, and his two daughters, Annie, about 16 years of age, and Carrie, 12 years old. It is thought they will not die. There is evidence that it was Bitzer's purpose also to take his own life, but his prompt arrest apparently prevented him from carrying out this purpose. He is about 35 years of age.

From a note left in his store by Bitzer it appears that while he was cleaning a revolver the weapon was discharged accidently and the bullet hit Miss Columbe in the head, killing her instantly. Overcome by the situation, Bitzer apparently rushed to his home, hatless and wild with excitement and began the work of exterminating his family.

LITTLE BOY WAS ILL.

The little boy, ill in bed with the measles, was shot and killed.

The sixteen-year-old daughter, Annie, was wounded through the left hand and in the ear. The twelve-year-old daughter, Carrie, was shot through the neck. Mrs. Bitzer was hit in the face, the bullet passing through the nose.

The sound of the shots brought neighbors into the house and Bitzer was arrested.

The police believe that Bitzer is insane. The note which they found in his store after the affair was almost an incoherent jumble of words. After telling of the shooting of Miss Columbe, Bitzer wrote that he had determined to go to his home and end the lives of his wife and children and his own. He asked that at his funeral the hymn, "Nearer, my God, to Thee," be sung.

He wished that his property should be given to his brother and to his aged mother and ended the letter with an expression to the effect that "God would not blame a man for doing what he had done." Substantially the same story was told by Bitzer after his arrest.

GETS A FINE POSITION.

Ralph Chapin left last evening for Pittsburg to begin work in a very important and responsible position to which he has just been chosen. Mr. Chapin will be the manager of the Pittsburg branch of the Provident Lumber company, of Philadelphia, one of the largest lumber concerns in the east. At the head of the company is F. D. Casanave, formerly superintendent of motive power of the Pennsylvania in this city, and now with the Baltimore and Ohio railroad. The company has already developed an extensive business, and the outlook is most promising. Mr. Chapin is a son of Judge A. A. Chapin, of this city, and is a recent graduate from Yale college. Until a short time ago he was connected with the E. S. Hartwell Lumber company, of Chicago. The position at Pittsburg is regarded as an exceptionally fine one, and that Mr. Chapin will prove entirely capable is also certain. His friends will be glad to learn of his good fortune.

TWO RESIDENCES SOLD.

E. W. Cook has sold his residence at Home and Indiana avenue to Ernst Bump for a consideration of $3,500, and Gustave Selle has purchased Mr. Bump's residence at 44 South Wayne avenue, and early in the spring will remove to that number. The transactions were negotiated by the L. F. Curdes agency.

RISING AS AN ORATOR.

Dr. George C. Stemen, the widely known young physician who removed to Colorado last year, is rapidly rising to prominence as an orator at Denver, where he is now engaged in the practice of his profession. At the memorial services by the Denver lodge of Elks a few weeks ago Dr. Stemen delivered the general eulogy, and his effort was highly complimented. More recently Dr. Stemen delivered the principal address at the Christmas services held by the Knights Templar of Denver. His address is printed in full in the Denver newspapers, and has elicited much praise from the press of that city.

GOES TO CLOVER LEAF.

San Francisco, Dec. 31.—James L. Frazier, superintendent of the western division of the Southern Pacific company, with headquarters at Oakland, has tendered his resignation in order to become the general superintendent of the Toledo, St. Louis and Western railway. It is predicted that Frazier will be succeeded by Warren S. Palmer, superintendent of the Sacramento division, or B. A. Worthington, superintendent of the coast division.

Mr. Rodabaugh became an Odd Fellow in 1858, and his membership has been continuously in Fort Wayne lodge No. 14, by which organization he has been repeatedly honored with the highest trusts within the gift of his brethren. Confirmatory evidence is had from unofficial sources of the purpose of the German government at least to delay action against Venezuela until the issue of the present revolutionary movement directed against President Castro.

THE PHILIPPINE COMMERCE.

Washington, Dec. 31.—If congress follows the recommendation of the war department, commerce between the United States and the Philippine islands, and among the islands themselves, will be thrown open to foreign bottoms for an indefinite time. Already there is pending in the house legislation looking to the exemption of the traffic between the Philippines and the United States from the operation of coastwise shipping laws, which requires all trade between United States ports to be carried in American bottoms. At the instance of the war department this measure will be amended so as to place the inter-island traffic on the same footing. Meanwhile, pending conclusive action by congress, the treasury will continue the order suspending the application of the coastwise shipping laws to Philippine commerce.

Henry B. Monning this forenoon received a telegram from Indianapolis, signed jointly by P. J. Falon and County Treasurer J. H. Rohan, asking him to come to Indianapolis by the first train to accept a first-class position they had secured for him. The telegram did not state the character of the position, simply saying that it was open for him and directing him to come without delay. Mr. Monning split no hairs, but left for the capital this afternoon. His host of friends will be glad to know of his good fortune.

The total acreage included in the consolidation is over 1,000. The company is a close corporation and the amount of capitalization represents practically the market value of the properties involved, with the addition of a sum of cash paid into the treasury by the various interests for development. The majority of the mines are silver properties.

REPUBLICAN LOVE FEAST

PARTY LEADERS OF STATE IN INDIANAPOLIS.

Fairbanks Says the Party is Without Divisions and Beveridge Echoes the Sentiment.

Indianapolis, Dec. 31.—At the conference of the republican leaders of the state held here today, Senator Fairbanks reviewed the work of the republican party in Indiana and declared it had a most honorable record. "Its north star," he said, "had ever been the public interest."
ever been the public interest."

"An important campaign lies immediately before. I have never seen the party in this great state more eager for the contest or more confident of the result. We will meet it upon the high plane or principle; it shall be a contest of principles and we shall set republican fulfillment against democratic prophecy. We shall offer good men for the people's suffrage and we invite our political adversaries to do likewise.

"We meet with no trace of factional disturbances. With the party harmonious and united throughout the state this is indeed a happy augury. It forecasts certain republican victory."

Senator Beveridge said that the glorification of the republican party was always beautiful and at a love feast of party workers it was appropriate. It was therefore with pleasure that he re-echoed and applauded the sentiments of his distinguished colleague.

AN INSANE DEED

FIVE PERSONS SHOT BY ONE CRAZY MAN.

TWO OF THE VICTIMS DEAD

WIFE AND THREE CHILDREN CHOSEN FOR DEATH.

KILLED SON ON SICK BED

JEWELER AT TURNERS FALLS, MASS., RUNS AMUCK.

Turners Falls, Mass., Dec. 31.—Louis Bitzer, a jeweler of this place, today shot five persons, two of whom, his clerk, Miss Ida Columbe, and Bitzer's five-year-old son, are dead. His other victims were his wife, Christina, and his two daughters, Annie, about 16 years of age, and Carrie, 12 years old. It is thought they will not die. There is evidence that it was Bitzer's purpose also to take his own life, but his prompt arrest apparently prevented him from carrying out this purpose. He is about 35 years of age.

From a note left in his store by Bitzer it appears that while he was cleaning a revolver the weapon was discharged accidently and the bullet hit Miss Columbe in the head, killing her instantly. Overcome by the situation, Bitzer apparently rushed to his home, hatless and wild with excitement and began the work of exterminating his family.

LITTLE BOY WAS ILL.

The little boy, ill in bed with the measles, was shot and killed.

The sixteen-year-old daughter, Annie, was wounded through the left hand and in the ear. The twelve-year-old daughter, Carrie, was shot through the neck. Mrs. Bitzer was hit in the face, the bullet passing through the nose.

The sound of the shots brought neighbors into the house and Bitzer was arrested.

The police believe that Bitzer is insane. The note which they found in his store after the affair was almost an incoherent jumble of words. After telling of the shooting of Miss Columbe, Bitzer wrote that he had determined to go to his home and end the lives of his wife and children and his own. He asked that at his funeral the hymn, "Nearer, my God, to Thee," be sung.

He wished that his property should be given to his brother and to his aged mother and ended the letter with an expression to the effect that "God would not blame a man for doing what he had done." Substantially the same story was told by Bitzer after his arrest.

GETS A FINE POSITION.

Ralph Chapin left last evening for Pittsburg to begin work in a very important and responsible position to which he has just been chosen. Mr. Chapin will be the manager of the Pittsburg branch of the Provident Lumber company, of Philadelphia, one of the largest lumber concerns in the east. At the head of the company is F. D. Casanave, formerly superintendent of motive power of the Pennsylvania in this city, and now with the Baltimore and Ohio railroad. The company has already developed an extensive business, and the outlook is most promising. Mr. Chapin is a son of Judge A. A. Chapin, of this city, and is a recent graduate from Yale college. Until a short time ago he was connected with the E. S. Hartwell Lumber company, of Chicago. The position at Pittsburg is regarded as an exceptionally fine one, and that Mr. Chapin will prove entirely capable is also certain. His friends will be glad to learn of his good fortune.

TWO RESIDENCES SOLD.

E. W. Cook has sold his residence at Home and Indiana avenue to Ernst Rump for a consideration of $3,500, and Gustave Selle has purchased Mr. Rump's residence at 44 South Wayne avenue, and early in the spring will remove to that number. The transactions were negotiated by the L. F. Curdes agency.

RISING AS AN ORATOR.

Dr. George C. Stemen, the widely known young physician who removed to Colorado last year, is rapidly rising to prominence as an orator at Denver, where he is now engaged in the practice of his profession. At the memorial services by the Denver lodge of Elks a few weeks ago Dr. Stemen delivered the general eulogy, and his effort was highly complimented. More recently Dr. Stemen delivered the principal address at the Christmas services held by the Knights Templar of Denver. His address is printed in full in the Denver newspapers, and has elicited much praise from the press of that city.

San Francisco, Dec. 31.—James L. Frazier, superintendent of the western division of the Southern Pacific company, with headquarters at Oakland, has tendered his resignation in order to become the general superintendent of the Toledo, St. Louis and Western railway. It is predicted that Frazier will be succeeded by Warren S. Palmer, superintendent of the Sacramento division, or B. A. Worthington, superintendent of the coast division.

HONORED BY HIS BRETHREN

T. J. RODABAUGH IS AGAIN CHOSEN BY ODD FELLOWS.

Now Begins His Twenty-seventh Year as Treasurer of Fort Wayne Lodge No. 14.

Few men have been so consistently and uninterruptedly honored by fraternal brethren as has T. J. Rodabaugh, who was last evening re-elected treasurer of Fort Wayne lodge No. 14, I. O. O. F., for the fifty-fourth time. On January 1 Mr. Rodabaugh will begin his twenty-seventh year as treasurer of that lodge.

Mr. Rodabaugh is foreman of the Pennsylvania paint department for the western division. He is widely known and is deservedly popular, not alone in fraternal circles, but in every walk of his acquaintance. He was born in Summit county, Ohio, in October, 1835, and is a veteran railroad man, having been connected with railroad work since 1850, when he assisted in the grading of what

is now the Pennsylvania railroad in Ohio. He came to Fort Wayne five years later, worked for a time at tracklaying on the Wabash between New Haven and Defiance, and then returned to this city to learn the trade of painter. He was made foreman of the Pennsylvania paint shops March 11, 1868, a position which he has held continuously since that time. Years ago he was a volunteer fireman in this city, and was connected with the old Vigilant and Mechanic companies.

Mr. Rodabaugh became an Odd Fellow in 1858, and his membership has been continuously in Fort Wayne lodge No. 14, by which organization he has been repeatedly honored with the highest trusts within the gift of his brethren. His long and faithful service as treasurer is a fine illustration of the esteem in which he is held by his brethren. Mr. Rodabaugh is also a Mason, and holds membership in Wayne lodge, No. 25.

DROWNED IN RIVER

HENRY BIDDLE LOSES LIFE IN THE ST. MARY'S.

IS FOUND NEAR POOR FARM

BODY ON THE ICE AND HEAD IN THE WATER.

DEATH DUE TO AN ACCIDENT

THE VICTIM A HUCKSTER WHO LIVED IN ZANESVILLE.

The body of Henry Biddle, a huckster residing in Zanesville, was found in the St. Mary's river about a mile south of the poor farm this morning about 11 o'clock by William Struck, a farmer residing in that vicinity.

About 10 o'clock this morning a team of horses strayed into Mr. Struck's barnyard, and thinking that a runaway had occurred, Mr. Struck, with several others, started out to investigate. They followed the road for a short distance until they came to a place where it runs close to the river, and where farmers are accustomed to drive through in order to water their horses.

Mr. Struck noticed a wagon standing on the ice with the off wheels in the water, and hurrying to the spot, was horrified to find Biddle's body lying face downward in the shallow water, the head being entirely submerged, while the lower part of the body lay on the ice close to the river bank.

Mr. Struck notified Sheriff Stout at once and when that officer arrived the body was taken out of the water and laid on the ice to await the arrival of Coroner Barnett.

There is every indication that the unfortunate man had been dead for many hours. It is thought that Mr. Biddle attempted to water his horses while returning home late last night and in driving into the river the wagon wheels went over the edge of the ice, so that it was impossible for the horses to pull the vehicle on the ice again. In attempting to unhitch the team in the dark, it is thought that Mr. Biddle made a misstep and fell into the river, the fall rendering him unconscious, and that death was due to drowning.

The dead man was about sixty-five years old and was quite well known in Fort Wayne. He leaves a family in Zanesville.

SOUTHERN RIVERS FALLING.

Atlanta, Ga., Dec. 31.—Dispatches from various points in Alabama and Georgia indicate that the rivers which did so much damage Sunday have fallen. At Westpoint, Ga., it is believed the crest of the flood has passed. The bodies of three people drowned there Sunday were found today. At Columbus, Ga., the waters of the Chattahoochee have fallen nearly five feet. The Atlanta and Westpoint railroad, which is the connecting link between the Southern and the Louisville and Nashville systems, is open only as far as La Grange, Ga., thirty miles north of Westpoint. It is thought the road will be open to the Alabama line by evening. Freezing temperature was reported this morning to the Florida line, with heavy frost in the northern and central portions of that state.

M'CANN-HUDDLESTON.

Miss Margaret McCann, daughter of Mrs. Catherine McCann, of 50 Grand street, was married this morning at the residence of Rev. J. F. Delaney, of St. Patrick's church, to Frederick Huddleston, of Muskegon, Mich. The attendants were Miss Catherine McCann and Simon McCann, sister and brother of the bride. Mr. and Mrs. Huddleston will reside in Muskegon, at 82 Glade street.

AFTER-THEATER SERVICE.

The Fort Wayne and Southwestern traction company will inaugurate a new departure on the evening of January 14, when Frank Daniels and his company appear at the Masonic Temple. This will be an after-theater service, cars leaving Broadway and Taylor streets at the close of the performance in sufficient number to handle all who may come from points along the line to witness the performance. If the venture is a paying one it will be instituted as often as occasion may require.

Miss Tena Wagner, of West Wayne street, is seriously ill.

Not Disappoint.

NEW DISCOVERY FOR CATARRH SEEMS TO POSSESS REMARKABLE MERIT.

A new catarrh cure has recently appeared which so far as tested has been remarkably successful in curing all forms of catarrh, whether in the

head, throat, bronchial tubes, or in stomach or liver.

The remedy is in tablet form, pleasant and convenient to take and no special secrecy is maintained as to what it contains, the tablet being a scientific combination of Blood root, Red gum and similar valuable and harmless antiseptics.

The safe and effective catarrh cure may be found at any drug store under the name of Stuart's Catarrh Tablets.

Whether the catarrh is located in the nose, throat, bronchial tubes or stomach, the tablets seem to act with equal success, removing the stuffy feeling in head and nose, clearing the mucous membrane of throat and trachea from catarrhal secretions, which cause the tickling, coughing, hawking and gagging so annoying to every catarrh sufferer.

Nasal catarrh generally leads to ulceration, in some cases to such an extent as to destroy the nose entirely and in many old cases of catarrh the bones of the head become diseased. Nasal catarrh gradually extends to the throat and bronchial tubes and very often to the stomach, causing that very obstinate trouble, catarrh of the stomach.

Catarrh is a systematic poison, inherent in the blood, and local washes, douches, salves, inhalers and sprays can have no effect on the real cause of the disease. An internal remedy which acts upon the blood is the only rational treatment and Stuart's Catarrh Tablets is the safest of all internal remedies, as well as the most convenient and satisfactory from a medical standpoint.

Dr. Eaton recently stated that he had successfully used Stuart's Catarrh Tablets in old chronic cases, even where ulceration had extended so far as to destroy the septum of the nose. He says, "I am pleasantly surprised almost every day by the excellent results from Stuart's Catarrh Tablets. It is remarkable how effectually they remove the excessive secretion and bring about a healthy condition of the mucous membranes of the nose, throat and stomach."

All druggists sell complete treatment of the Tablets at 50 cents and a little book giving the symptoms and causes of the various forms of catarrh, will be mailed free by addressing F. A. Stuart Co., Marshall, Mich.

GETS INVITATIONS GALORE

P. J. FALLON'S FRIENDS WILL RECIPROCATE.

Scores of Bids to New Year's Dinners Go to the Genial Gentleman at Indianapolis.

The Fallon banquet continued to be the principal topic of conversation at the clubs and cafes last night. Major Wilson and Bob Hanna felt particularly sore about the matter, Wilson saying that he was obliged to cut out several swell dinners at Indianapolis in order to get here on Saturday night before the hour set for the curtain to rise. Wilson and Hanna were swapping troubles in front of the Aveline last evening when a happy thought struck Hanna. "We'll fix him," said Bob; "we'll get the whole crowd to send P. J. postal cards inviting him to eat with us on New Year's day and then we'll just fool him right back." Wilson assented, and so it happens that tomorrow's mail will land about

"We'll fix him," said Bob.

fifty postal cards on Fallon's desk at the pension office, each card signed by one of his friends and each bearing an invitation to take dinner with the sender at a different place. Some name the Grand, some the Denison, others designate various cafes and hasheries in Indianapolis, while others invite the recipient to come to Fort Wayne, Richmond, Cincinnati, Chicago, St. Louis or any other old place. As the pension office will not be open for business tomorrow, the probabilities are that Mr. Fallon's mail will be read by everybody in the office before he gets a crack at it himself, and the misery that that bunch of cards will stir up would make a large bound volume.

Mr. Kinsey is 93 years old and his life-partner is six years his junior. Both are in the enjoyment of fairly good health and still retain all their mental faculties. Mr. Kinsey is a native of Delaware and Mrs. Kinsey was born in Maryland. HUSBANDS CAME FOR THEM

WOMEN CAME HERE TO ESCAPE ILL TREATMENT.

Have Been Working to Earn Living —One Husband Beat His Wife After He Found Her—Notes.

On Christmas day two women, who gave their names as Williamson and claiming to be the wives of two brothers living in Chicago, arrived in the city and engaged quarters at No. 55 Barr street. Each had a baby and both claimed to be lace saleswomen, making a business of going from house to house soliciting orders. They have been industrious since their arrival and so far as known their conduct has been entirely proper. They claimed that their husbands had so maltreated them that they could endure their marital relations no longer and so just pulled up stakes and dug out. Yesterday the two Williamson brothers arrived in the city in search of their hibernating spouses. They located them at their Barr street boarding house and one of them called on his wife and undertook to start a rough house. It is stated that the woman was knocked down several times before the police were called. The woman refused to prosecute, but said they would unless the men agreed to leave them alone and not molest them in any way any more. The men promised to go back and sit down and no arrests were made. The men are still in the city and the women are attending to their business. Superintendent Gorsline is considerably mystified over the action of the several parties.

HIDES STOLEN.

Enterprising thieves effected an entrance to Wilkins Bros'. slaughter house, near Lindenwood, last night and managed to get away with about $60 worth of hides. The hides were those of seven beeves and several calves, one of the latter being dropped on the way. Several interesting and unsociable dogs are kept on the premises and in order to successfully open negotiations with them, the thieves first stole a lot of sausage somewhere and established harmony in the community by feeding the sausage to the dogs while the raid on the hides was being made. Both the police department and the sheriff's office were informed of the burglary at an early hour this morning, but up to this afternoon no reliable clew had been uncovered.

A gentleman named Russel, living at 558 South Calhoun street, reports the loss of a thoroughbred English bull dog.

There was no police court this morning.

A PANAMA CIRCULAR.

Paris, Dec. 31.—All the newspapers here today publish an address to the shareholders of the Panama Canal company, issued by M. Bunaux-Varaila, a large shareholder, who, as cabled Dec. 21, made an appeal to the shareholders and others to contribute at the beginning of the year funds to carry on the work of the canal, and who only secured promises of 200,000 francs. In this address, which takes up half a page of space in the papers, M. Bunau-Varaila gives the text of a letter which he recently wrote to the new president of the canal company, M. Bo, condemning the decision to attempt the "impracticable task" of reopening the negotiations with Washington for the sale of the company's property, and urges that the only course open, in order to clear the situation, is for the company to make, before January 7, a straightforward offer to sell the property for $40,000,000, or, better still, notify the Isthmian commission that it can, itself, fix the reasonable purchase price at which, its report said, it would have recommended the Panama route.

EVANS WILL BE PRESIDENT.

New York, Dec. 31.—It is announced, says the Herald, that a successor to the late President Valentine, of the Wells-Fargo Express company, has been selected in Dudley Evans, at present general manager of the company, with headquarters in New York. Mr. Evans will not move his present quarters to San Francisco, where the main offices of the Wells-Fargo company have been located, but it is believed here that at the next meeting of the directors action will be taken looking to the establishment of the headquarters of the company in this city.

STORM IN THE CARRIBEAN.

Colon, Colombia, Dec. 31.—Via Galveston, Texas.—A strong norther began blowing at 5 o'clock last evening and raised a tremendous sea. The steamers, with the exception of the Hero, managed with difficulty to leave their piers and reach Port Bello. The Hero, a Norwegian vessel, Captain Petersen, from Baltimore, December 12, for Colon, having on board a cargo of coal intended for the Panama Railroad company, was driven ashore at Christopher, Colon, during the night. The vessel is now in a helpless condition. As this dispatch is sent the seas and winds are still high. Much damage has been done to the Pacific Mail company's dock and to other property.

BOTH BUYING WARSHIPS.

New York, Dec. 31.—Both Chili and Argentina are eagerly negotiating for the purchase of warships in Great Britain, says the London correspondent of the Tribune. Chili has, it is said, been lucky enough to acquire two torpedo boat destroyers now being built on the Thames to the order of Brazil, which latter country has been tempted by the good price offered to sell. These vessels could be launched at the end of next month. Argentina has a large cruiser on the stocks at Elswick, but it cannot be delivered until next summer.

A REVOLUTION THE REMEDY.

Brussels, Dec. 31.—Prof. George D. Herron, formerly of Chicago, who addressed a large meeting last evening at the Maison Du Peuple, declared that seven-eighths of the total of fortunes in the United States were monopolized by two thousand individuals, "the masters of the trusts." The only solution of the situation, he said, was a revolution. The Chicago socialists, said Prof. Herron, intend to erect a Maison Du Peuple, similar to that in Brussels.

A PROMINENT HOTEL MAN.

An Interesting Letter is Given Verbatim.

Mr. Lafe D. Weathers is well known throughout the central portion of the United States as an obliging and efficient hotel man, as all those can testify who knew him as associated with the management of the Spencer House, Indianapolis, Ind. He is now manager of the Hotel Enterprise in that city. Under date of Nov. 16th, 1899, he writes as follows: Pepsin Syrup Co.: Dear Sirs: We have been keeping house for five years and are never without Dr. Caldwell's Syrup Pepsin. We find nothing equal to it for stomach troubles, and my children like it as well as candy. Many Imitators, But no Equal.

Permit us to call the attention of our readers to the important fact that there are three essential steps in the successful treatment of disease. First, a correct diagnosis; second, the selection of the proper remedies in their best possible form, and third, a thorough knowledge of knowing how to prepare these remedies and their physiological effects upon the human body, in order to effect a cure. In the three above named facts Dr. D. W. Tucker has no equal in the state of Indiana. He has treated many thousands of cases within the last Thirty Years.

If one fourth of the people that are now in the cemetery had consulted and been treated by some good Specialist in place of their family doctor, they would have lived twenty years longer. Only a Specialist, who thoroughly understands Chronic Diseases, can treat them successfully. Dr. Tucker is without doubt the ablest specialist in this state and has treated and cured more cases of Chronic and Private Diseases than all the other Specialists in this state combined.

A doctor that has restored thousands to health, and can produce undeniable proof of the fact, must be regarded with respect. This is the record of Dr. Tucker, which cannot be equaled by any other specialist in the United States. His success is the result of THIRTY YEARS of careful study, extensive research, observation and remarkable experience in the treatment and cure of thousands of chronic and private diseases of the Brain, Heart, Lungs, Liver, Kidneys, Bladder, Rectum, Gleet, Impotency, Nervous Diseases, Catarrh, Piles, Varicocele, Strictures, and all private diseases of both sexes. If Dr. Tucker cannot cure you no other specialist in the United States can. He has deposited in bank ONE THOUSAND DOLLARS that he has treated more cases of chronic diseases and performed more remarkable cures than any THREE SPECIALISTS in the State of Indiana. He will not deceive you, and guarantees to cure every case he takes for treatment. He is vouched for by the best banks and citizens of the state.

Does Not Disappoint.

THE NEW DISCOVERY FOR CATARRH SEEMS TO POSSESS REMARKABLE MERIT.

A new catarrh cure has recently appeared which so far as tested has been remarkably successful in curing all forms of catarrh, whether in the

head, throat, bronchial tubes, or in stomach or liver.

The remedy is in tablet form, pleasant and convenient to take and no special secrecy is maintained as to what it contains, the tablet being a scientific combination of Blood root, Red gum and similar valuable and harmless antiseptics.

The safe and effective catarrh cure may be found at any drug store under the name of Stuart's Catarrh Tablets.

Whether the catarrh is located in the nose, throat, bronchial tubes or stomach, the tablets seem to act with equal success, removing the stuffy feeling in head and nose, clearing the mucous membrane of throat and trachea from catarrhal secretions, which cause the tickling, coughing, hawking and gagging so annoying to every catarrh sufferer.

Nasal catarrh generally leads to ulceration, in some cases to such an extent as to destroy the nose entirely and in many old cases of catarrh the bones of the head become diseased. Nasal catarrh gradually extends to the throat and bronchial tubes and very often to the stomach, causing that very obstinate trouble, catarrh of the stomach.

Catarrh is a systematic poison, inherent in the blood, and local washes, douches, salves, inhalers and sprays can have no effect on the real cause of the disease. An internal remedy which acts upon the blood is the only rational treatment and Stuart's Catarrh Tablets is the safest of all internal remedies, as well as the most convenient and satisfactory from a medical standpoint.

Dr. Eaton recently stated that he had successfully used Stuart's Catarrh Tablets in old chronic cases, even where ulceration had extended so far as to destroy the septum of the nose. He says, "I am pleasantly surprised almost every day by the excellent results from Stuart's Catarrh Tablets. It is remarkable how effectually they remove the excessive secretion and bring about a healthy condition of the mucous membranes of the nose, throat and stomach."

All druggists sell complete treatment of the Tablets at 50 cents and a little book giving the symptoms and causes of the various forms of catarrh, will be mailed free by addressing F. A. Stuart Co., Marshall, Mich.

GETS INVITATIONS GALORE

P. J. FALLON'S FRIENDS WILL RECIPROCATE.

Scores of Bids to New Year's Dinners Go to the Genial Gentleman at Indianapolis.

The Fallon banquet continued to be the principal topic of conversation at the clubs and cafes last night. Major Wilson and Bob Hanna felt particularly sore about the matter, Wilson saying that he was obliged to cut out several swell dinners at Indianapolis in order to get here on Saturday night before the hour set for the curtain to rise. Wilson and Hanna were swapping troubles in front of the Aveline last evening when a happy thought struck Hanna. "We'll fix him," said Bob; "we'll get the whole crowd to send P. J. postal cards inviting him to eat with us on New Year's day and then we'll just fool him right back." Wilson assented, and so it happens that tomorrow's mail will land about

"We'll fix him," said Bob.

fifty postal cards on Fallon's desk at the pension office, each card signed by one of his friends and each bearing an invitation to take dinner with the sender at a different place. Some name the Grand, some the Denison, others designate various cafes and hasheries in Indianapolis, while others invite the recipient to come to Fort Wayne, Richmond, Cincinnati, Chicago, St. Louis or any other old place. As the pension office will not be open for business tomorrow, the probabilities are that Mr. Fallon's mail will be read by everybody in the office before he gets a crack at it himself, and the misery that that bunch of cards will stir up would make a large bound volume.

HUSBANDS CAME FOR THEM

WOMEN CAME HERE TO ESCAPE ILL TREATMENT.

Have Been Working to Earn Living —One Husband Beat His Wife After He Found Her—Notes.

On Christmas day two women, who gave their names as Williamson and claiming to be the wives of two brothers living in Chicago, arrived in the city and engaged quarters at No. 55 Barr street. Each had a baby and both claimed to be lace saleswomen, making a business of going from house to house soliciting orders. They have been industrious since their arrival and so far as known their conduct has been entirely proper. They claimed that their husbands had so maltreated them that they could endure their marital relations no longer and so just pulled up stakes and dug out. Yesterday the two Williamson brothers arrived in the city in search of their hibernating spouses. They located them at their Barr street boarding house and one of them called on his wife and undertook to start a rough house. It is stated that the woman was knocked down several times before the police were called. The woman refused to prosecute, but said they would unless the men agreed to leave them alone and not molest them in any way any more. The men promised to go back and sit down and no arrests were made. The men are still in the city and the women are attending to their business. Superintendent Gorsline is considerably mystified over the action of the several parties.

HIDES STOLEN.

Enterprising thieves effected an entrance to Wilkins Bros.' slaughter house, near Lindenwood, last night and managed to get away with about $60 worth of hides. The hides were those of seven beeves and several calves, one of the latter being dropped on the way. Several interesting and unscrupulous dogs are kept on the premises and in order to successfully open negotiations with them, the thieves first stole a lot of sausage somewhere and established harmony in the community by feeding the sausage to the dogs while the raid on the hides was being made. Both the police department and the sheriff's office were informed of the burglary at an early hour this morning, but up to this afternoon no reliable clew had been uncovered.

A gentleman named Russel, living at 556 South Calhoun street, reports the loss of a thoroughbred English bull dog.

There was no police court this morning.

A PANAMA CIRCULAR.

Paris, Dec. 31.—All the newspapers here today publish an address to the shareholders of the Panama Canal company, issued by M. Bunau-Varaila, a large shareholder, who, as cabled Dec. 21, made an appeal to the shareholders and others to contribute at the beginning of the year funds to carry on the work of the canal, and who only secured promises of 200,000 francs. In this address, which takes up half a page of space in the papers, M. Bunau-Varaila gives the text of a letter which he recently wrote to the new president of the canal company, M. Bo, condemning the decision to attempt the "impracticable task" of reopening the negotiations with Washington for the sale of the company's property, and urges that the only course open, in order to clear the situation, is for the company to make, before January 7, a straightforward offer to sell the property for $40,000,000, or, better still, notify the Isthmian commission that it can, itself, fix the reasonable purchase price at which, its report said, it would have recommended the Panama route.

EVANS WILL BE PRESIDENT.

New York, Dec. 31.—It is announced, says the Herald, that a successor to the late President Valentine, of the Wells-Fargo Express company, has been selected in Dudley Evans, at present general manager of the company, with headquarters in New York. Mr. Evans will not move his present quarters to San Francisco, where the main offices of the Wells-Fargo company have been located, but it is believed here that at the next meeting of the directors action will be taken looking to the establishment of the headquarters of the company in this city.

STORM IN THE CARRIBEAN.

Colon, Colombia, Dec. 31.—Via Galveston, Texas.—A strong norther began blowing at 5 o'clock last evening and raised a tremendous sea. The steamers, with the exception of the Hero, managed with difficulty to leave their piers and reach Port Bello. The Hero, a Norwegian vessel, Captain Petersen, from Baltimore, December 12, for Colon, having on board a cargo of coal intended for the Panama Railroad company, was driven ashore at Christopher, Colon, during the night. The vessel is now in a helpless condition. As this dispatch is sent the seas and winds are still high. Much damage has been done to the Pacific Mail company's dock and to other property.

BOTH BUYING WARSHIPS.

New York, Dec. 31.—Both Chili and Argentina are eagerly negotiating for the purchase of warships in Great Britain, says the London correspondent of the Tribune. Chili has, it is said, been lucky enough to acquire two torpedo boat destroyers now being built on the Thames to the order of Brazil, which latter country has been tempted by the good price offered to sell. These vessels could be launched at the end of next month. Argentina has a large cruiser on the stocks at Elswick, but it cannot be delivered until next summer.

A REVOLUTION THE REMEDY.

Brussels, Dec. 31.—Prof. George D. Herron, formerly of Chicago, who addressed a large meeting last evening at the Maison Du Peuple, declared that seven-eighths of the total of fortunes in the United States were monopolized by two thousand individuals, "the masters of the trusts." The only solution of the situation, he said, was a revolution. The Chicago socialists, said Prof. Herron, intend to erect a Maison Du Peuple, similar to that in Brussels.

FLOODS NEAR LONDON.

London, Dec. 31.—Melting snow has caused the rivers Wye and Derwent to overflow and the whole valley of the Derwent this morning presents a scene of desolation unprecedented for twenty years. Hundreds of business premises, hotels and residences are flooded and the occupants of several had narrow escapes, so rapidly rose the waters. Ten feet of water covers the Matlock foot ball ground.

L. C. Buck, who has been spending the past week with his family in this city, left this morning for Clarksburg, W. Va., to resume his position with R. L. Polk & Co., the directory publishers.

CONCENTRATION.

The Young Man's Opportunity.

Changes in business methods of the past few years created places for men of different character than were formerly employed. Men who can concentrate their mental and physical energy until they can do some one thing better than it can be done by anyone else are the ones in demand, and there has never been a time when a young man's capacity—his brains—commanded so much as now.

Ability to acquire this power depends, first, upon the physical condition, particularly the health of the stomach and bowels, for if the functions of these organs are disturbed mental disorders surely follow. To meet the requirements of busy men the Battle Creek Health Tablet Co., Ltd., Battle Creek, Mich., have placed within the reach of all Peptorene, the Health Tablet, a concentration in the most concentrated form of the best remedies for the cure of stomach, liver and bowel troubles. This tasteless tablet, one after each meal, insures the first step to success—a sound mind in a sound body.

At 25 cents a box. Free trial treatment by writing the manufacturers. Manufactured by the Battle Creek Health Tablet Co., Ltd., Battle Creek, Mich.

Sold by Meyer Bros. & Co., Pellens & Polster, A. C. Gocke and Wm. L. Waltemath.

It is the most inexpensive of pure soaps. You need no knowledge of chemistry to realize this purity, use it and you will know. It floats.

FLOODS NEAR LONDON.

London, Dec. 31.—Melting snow has caused the rivers Wye and Derwent to overflow and the whole valley of the Derwent this morning presents a scene of desolation unprecedented for twenty years. Hundreds of business premises, hotels and residences are flooded and the occupants of several had narrow escapes, so rapidly rose the waters. Ten feet of water covers the Matlock foot ball ground.

L. C. Buck, who has been spending the past week with his family in this city, left this morning for Clarksburg, W. Va., to resume his position with R. L. Polk & Co., the directory publishers.

CONCENTRATION.

The Young Man's Opportunity.

Changes in business methods of the past few years created places for men of different character than were formerly employed. Men who can concentrate their mental and physical energy until they can do some one thing better than it can be done by anyone else are the ones in demand, and there has never been a time when a young man's capacity—his brains—commanded so much as now.

Ability to acquire this power depends, first, upon the physical condition, particularly the health of the stomach and bowels, for if the functions of these organs are disturbed mental disorders surely follow. To meet the requirements of busy men the Battle Creek Health Tablet Co., Ltd., Battle Creek, Mich., have placed within the reach of all Peptorene, the Health Tablet, a concentration in the most concentrated form of the best remedies for the cure of stomach, liver and bowel troubles. This tasteless tablet, one after each meal, insures the first step to succes—a sound mind in a sound body.

At 25 cents a box. Free trial treatment by writing the manufacturers. Manufactured by the Battle Creek Health Tablet Co., Ltd., Battle Creek, Mich.

Sold by Meyer Bros. & Co., Pellens & Polster, A. C. Gocke and Wm. L. Waltemath.

WATCHING THE OLD YEAR OUT.

"THE OLD FOLKS AT HOME."

This picture will have its real counterpart in many a humble home tonight, where father and mother will sit by the hearthstone to "watch the old year out." They will be alone save for the memories of days long flown and thoughts of the absent loved ones. They will wonder if all is well with "the boys" and "the girls" who have broken the family circle to take up life's duties and burdens away from the old roof-tree, and they will pray that it may be so. The picture is worth a study. The humble interior tells of lives that have not been spent in greedy pursuit and the homely but lovely faces of the old couple tell a sweet story of lives well lived, of time happily spent together in enjoyment of that constant affection that grows so beautiful in the aged man and wife whom God has mated so perfectly. It is an inspiring picture of the "old folks at home."—God bless them all.

The people of Cuba are voting today and for the first time in their history are exercising the rights of sovereign citizens without burning gunpowder. Perhaps that will come later when the revolution inseparable from Latin-American citizenship breaks out.

Germany has given assurances that she has no designs on Venezuelan territory and proposes only to collect a debt that is honestly due and long overdue as well. To that Germany is entitled and the United States will not stand sponsor for repudiation by Venezuela or any other country under protection of the Monroe doctrine.

Crawfordsville is considerably outside the Indiana snake belt, but is not deterred by that disadvantage from coming to the front with a mid-winter snake story. A rattler that had taken up cold weather quarters in a stick of firewood was warmed to life in the kitchen and promptly attacked two small children, biting both. It is a good story, the season allowed, and speaks volumes for the crop of home-made "peach" in old Montgomery county.

General Chaffee hastens to deny that there is any friction between the civil and military authorities in the Philippines, and Acting Governor Wright corroborates him by the same cable. But neither explains why the civil government should have reported the condition of the islands as most satisfactory while the military officers declared the archipelago to be a hotbed of unequaled and almost hopeless treachery. Nor does General Chaffee attempt to reconcile his recent views upon the traitorous character of the natives with his present declaration that the prospect of subduing the insurgents in all places is promising.

Destitution such as to necessitate prompt and generous relief is said to exist in Ozark county, Mo., a mountainous region near the Arkansas line. So complete is the famine there as a result of the long-continued drouth, it is reported, that some unfortunate families are sustaining life on what the woods furnish, such as acorns and nuts. There is but little wheat grown in that locality and the corn crop has always been the chief source of sustenance among the poorer mountaineers. This year the corn perished in the tassel and whole fields failed to yield even a bushel of nubbins. The cattle and hogs had to be sold in the latter part of the summer because of a lack of feed for wintering them, and the cold weather has found the country stripped of live stock as never before.

START IT RIGHT.

Start the new year right—and keep it right from January 1, 1902, to January 1, 1903. After a year of resolute training it will come easy to you to keep all the years of your life right. As a matter of fact, the first of the year is no better time than the middle of it to turn over a new leaf, but it is a well-established custom to which sentiment has given weight. However, the end of the old year is the best time to take inventory to see how you stand, as the beginning of the new year is the best time to inaugurate new plans for accomplishing more.

Tonight cast up your moral account for the past year and see if the book balances to your satisfaction. It probably will not. Few of us so live as to command the entire approval of our consciences. But you can do better in a variety of ways than you have been doing. The man whose life does not improve is going backward. Nothing stands still, and least of all moral nature. You can live in a way that will be more healthy for your own body and mind and soul and better for your family and your fellows.

Turn over a new leaf tonight and begin the new year right and keep it right. It will be money in your pocket and comfort to your mind. It will mean more for wife and babes, if you have such, and a satisfaction to every friend you have. A good resolution firmly persisted in will make you absolute ruler of yourself and self-control in all things will raise you not only in your own esteem, but in the esteem of all others.

IS BACK IN THE FIRM.

Tomorrow W. S. Turner, who returned some months ago from Denver, Colo., will resume his old place as a member of the wholesale millinery house of James A. Armstrong company. He has purchased a block of stock in the institution, and at the annual meeting today was elected secretary and treasurer of the company. Mr. Turner originally retired to engage in business at Denver, but the west did not please him so well as his old home, and he has now returned to the house with which he has been connected for many years. Other officers chosen today were C. T. Pidgeon, president; H. A. Keplinger, vice president.

HEARING IS POSTPONED.

The preliminary hearing of Leonard McClish, the former Lake Erie newsboy who admitted "raising" a postoffice money order in this city last Saturday, will not be held until Thursday morning at 9 o'clock. Commissioner Logan had fixed today as the date for hearing the case, but District Attorney LaFollette is unable to reach the city until tomorrow evening, and this necessitated a postponement of the case. McClish is in jail.

EMIL WEIHE RESIGNS.

Emil Weihe, who for the past twelve years has been connected with the drug store of Meyer Bros. & Co., today tendered his resignation, and will sever his connection with that institution this evening. Mr. Weihe says he has not yet determined upon his future course, but he will not leave Fort Wayne. It is intimated that he may engage in the drug business upon his own account within a short time.

DISCHARGES ARE GRANTED.

BOARD OF WORKS HAVE SECRET CONFERENCE.

Nothing Definite Decided Upon and No News Given Out—The News at the City Hall.

The board of works held a double session yesterday afternoon. After the adjournment of the regular meeting the members at 4 o'clock quietly slipped upstairs and talked over street car franchises. The statement made that Mayor Berghoff was in the conference was erroneous. Mr. Berghoff says he was not present and knew nothing of the meeting until after it was over and has not since seen any member of the board to inquire what was done. Mr. Berghoff said, however, that some time since he instructed the board to take up the street car franchise matter in the near future when they had nothing else to do and discuss it thoroughly. Although the board yesterday was in session about two hours it is scarcely probable that any definite plan was formulated. The street car propostion is too weighty to be peremptorily disposed of at a single sitting. Clerk Schmidt was not present at the meeting and says he was peremptorily fired, or rather was not given an opportunity to get fired. The members of the board themselves are reticent as oysters and decline to indicate along what lines their conference of yesterday was laid.

The board of works yesterday afternoon awarded the contract for printing the official council proceedings to the Journal Printing company on their bid of 21 cents per inch. The Sentinel was the only other bidder, its figures being 22 cents. The contract is for one year. The contracts and bonds of Anton Rieg, C. E. Moellering and George Wilhelm for several minor improvements were received and approved, and a request from T. J. Peter, representing the Federal Asphalt company, asking that he be allowed to bid on street work next year was read and filed without action.

The waterworks trustees yesterday afternoon awarded to Joseph Derheimer the contract for excavating for and laying the new line of suction pipe at the Van Buren street water station. The contract involves the laying of about 1,300 feet of pipe and the connecting of all the wells, and the job was let for $8,990. Herman Tapp, the only other bidder, bid $9,639.30. Work will be commenced immediately.

Out of respect to old Father Time, who will be busy tomorrow ushering in a new year, the city offices will be closed all day. The health office will be open an hour in the morning and an hour in the afternoon and the police department will, of course, be in working order as usual.

The first building permit issued for several weeks was issued yesterday to John Baker, who will build a house on Buchanan street at a cost of $1,000.

An additional case of scarlet fever has been reported at the corner of Hayden and Lillie streets, where several cases were before existing and a new case of diphtheria was reported from No. 54 Miner street.

FRED M'CULLOCH HAS A LOSS.

Fred McCulloch, a student at the Hill school, Pottstown, Pa., who is now home spending his holiday vacation with his parents, Hon. and Mrs. Charles McCulloch, was notified yesterday of a loss from fire in the burning of the new dormitory of the school, in which the young man had apartments. Fortunately he had brought the greater part of his belongings home with him, so that he loses only a desk, some pictures and other trinkets, in all to the probable value of $50. But a few months ago Mr. McCulloch's brother, Horace, who is a student at Yale sustained a similar loss by the burning of the dormitory at Yale.

A Lady's Lunch

Has been rudely defined by some cynic as "slops and sweets." And after all there's more truth than poetry in the definition. Ice cream and cake may satisfy the palate, but they are far from satisfying to the stomach, which requires that food be nutritious first and nice afterward. By careless eating women pave the way for stomach "trouble," and its kindred miseries.

Dr. Pierce's Golden Medical Discovery is confidently commended as a cure for diseases of the stomach and other organs of digestion and nutrition. By curing diseases which prevent the assimilation of food it enables the body to be built up and strengthened in the only way known to nature—by food digested and assimilated.

"For twelve long months I suffered untold misery," writes Mrs. Mollie Colgate, of Randolph, Charlotte Co., Va. "No tongue could express the pain that I endured before I commenced taking Dr. Pierce's medicine. I was not able to do anything at all. Could not eat anything except bread and tea—or if I did the top of my head hurt so it seemed it would kill me; with all that I could do it would burn like fire. But now, since using your 'Golden Medical Discovery' and 'Favorite Prescription,' I can eat a little of almost anything I want, and can do a good day's work as well as anybody can. Am better than I have been for years."

UNITED IN DEATH

BRIDE AND GROOM-TO-BE ARE KILLED ON CROSSING.

DIED ON EVE OF MARRIAGE

MUNCIE CONTRACTOR AND A HENRY COUNTY WIDOW.

A WINTER SNAKE STORY

GENERAL NEWS OF THE STATE OF INDIANA.

New Castle, Ind., Dec. 31.—On the eve of their wedding, John P. Edwards, aged 56 years, a well known contractor of Muncie, and Mrs. Nancy Reeder, a wealthy widow who lived at Luray, ten miles north of this city, were run down and killed by a Pennsylvania train last evening at a dangerous grade crossing on Main street, where two persons have previously been killed. Edwards and Mrs. Reeder and a son and daughter of Mrs. Reeder had been to this city to visit relatives in the afternoon and had just started home to prepare for the wedding last night when the fatal accident occurred. The son and daughter of Mrs. Reeder were in a buggy in front of the buggy in which their mother and Edwards rode and were safely across the track when the train struck Edwards' buggy.

Edwards and Mrs. Reeder were muffled in wraps and as the side curtains were on the buggy they did not see the on-coming train. The engine struck the buggy as it was squarely upon the track and both the occupants were instantly killed. The bodies of the victims were badly mangled, the remains of the woman being carried on the pilot of the engine a quarter of a mile before the train was stopped. Edwards leaves a family of six children. Mrs. Reeder was a wealthy widow and had practiced law. Edwards drove to the country home of Mrs. Reeder yesterday and it was the intention of the couple to surprise their friends by the wedding last night.

BITTEN BY A BIG SNAKE.

Crawfordsville, Ind., Dec. 31.—Willie and Mary Daniels, aged 5 and 7 years, living near Sand creek, were bitten in several places yesterday by a large rattlesnake that had taken refuge from the cold weather in a stick of wood. The piece of wood had been carried into the house and placed behind the stove to dry. Yesterday afternoon the parents of the children were attracted by screams from the kitchen and were horrified to find the snake coiled in the little girl's lap. Her brother caught the reptile by the tail and was bitten on the hand. The girl was bitten twice upon the leg. The snake was killed. It was four feet long and had seven rattles and a button. The children will be taken to Terre Haute for treatment.

FATHER SHOOTS TWO SONS.

Columbus, Ind., Dec. 31.—A long chapter of distressing holiday accidents is reported from Brown county. While handling a shotgun yesterday John Ayres accidentally shot and probably fatally injured his two sons—one through the lungs and the other in the stomach. Stephen Richards swallowed a turkey bone and is in a dying condition. George Pitzer dropped his gun and one of his heels was shot away. Mrs. John Axouis was terribly burned by her clothes catching fire while she was cooking supper.

TWO SKATERS DROWNED.

Milan, Ind., Dec. 31.—John Dever, aged 26 years, and Mrs. Grace Fallis, aged 24 years, skated into a hole in the ice on Milan pond at 8:30 last night and both were drowned. Dever was the only son of A. J. Dever, a Milan merchant, who is at Cincinnati. Young Dever leaves a young widow and one child. Mrs. Fallis was the only daughter of Mrs. Bratten, a widow, whose only son, Clearance Bratten, died in the army during the Cuban war two years ago. Her husband, Charles Fallis, is a railroader with headquarters at Terre Haute. Dever and Mrs. Fallis skated into a place where the ice had been sawed out and neither came to the surface again.

AGED SETTLER DEAD.

Elkhart, Ind., Dec. 31.—David S. Simonton, one of the oldest and wealthiest citizens of this place, is dead, aged eighty-four. He was a native of Clarke county, Ohio, and was brought to Indiana in 1832. In early manhood he was a contractor and built most of the first houses in this city. He accumulated much Elkhart realty and also owned considerable property in Chicago, his total estate being valued at $125,000. A year ago he divided the bulk of this estate among his two sisters, one son and four grandchildren in order to avoid any contention after his death. The funeral was held today.

ELOPED WITH ANOTHER MAN.

Muncie, Ind., Dec. 31.—Miss Ella Dougherty, of Muncie, and Lewis C. Engle, of Indianapolis, eloped Saturday night and were married in Anderson, then continuing to Indianapolis, where a new home was in readiness. Charles Van Matre, a Muncie letter carrier, presented the young woman with a diamond ring Christmas, binding their engagement, and the young man was today dumbfounded at the wedding announcement. He states that he will extend congratulations, however.

DYING FROM JAILER'S BLOW.

Vincennes, Ind., Dec. 31.—Irwin Gammell is dying in the county jail here of paralysis produced by a blow on the head. He was struck by the turnkey at the jail in Terre Haute, whom Gammell assaulted in an attempt to escape. An operation might save the prisoner's life, but the authorities say it cannot be performed in the jail and they cannot free him unless he procures a bond. Gammell has served a term in the reformatory. In 1898, with his nephew, Bernie Freeman, he is said to have robbed the Bank of Commerce, at Sedalia, Mo., of $10,000. Freeman is now serving a life sentence at Michigan City for murder. Gammell was arrested here last April.

DIES ON WEDDING DAY.

Laporte, Ind., Dec. 31.—John Hensel, of Stillwell, was found dead yesterday morning. Coroner Bowell is making an investigation as to the cause of death. Yesterday afternoon was the appointed time for Hensel's marriage to Mrs. Sophia Harness, but the minister who was to have officiated at the marriage feast will today preach the sermon at the burial of Hensel, while the bride-elect will be the chief mourner.

IDENTIFIED AS A SWINDLER.

Kokomo, Ind., Dec. 31.—Through a photograph furnished by Attorney W. E. Blacklidge, of this city, Dr. J. B. Thomas, under arrest in Philadelphia, has been identified as the man who five years ago victimized brokers in this state. His swindling was done by means of bogus mortgages given in Kokomo, Lafayette, South Bend, Winchester, Ridgeville, Rushville, Crawfordsville, Logansport, Lebanon and Freeport. The man secured more than $30,000. He registered here as A. W. Sawyer, but he had a different name for every new locality he visited, posing as W. G. Moore, W. J. Hyatt, E. D. Morgan, A. A. Barnes, J. W. Warner and W. J. Brewer.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. A FEW SPORTING NOTES

Now that Jeffries and Sharkey are matched to fight again all the jawsmiths in the country from Fitzsimmons down are working overtime telling what they will do to the winner of the match if given a chance. Even old Peter Maher wants to take a crack at the boss slugger after the next fight.

Tom Hickey and his new base ball league have finally got started and organized a mighty solid eight-club league at Kansas City yesterday. The circuit includes Indianapolis, Columbus and Toledo of last year's Western association and Charlie Strobel is correspondingly happy. Walter Wilmot' of last year's Louisville-Grand Rapids team, has secured the Minneapolis franchise, and Fort Wayne's mentor of base ball, George Tebeau, has glued himself fast to Kansas City. Just what will become of the Western association next year is a problem that must be settled after the other big fellows get settled down. Toledo is gone, Columbus is gone, Grand Rapids is gone, Matthews is gone, Armour of Dayton has gone to the Eastern league, Wheeling will be forced out willy nilly, and Marion is said to be persona non grata, so that to a man up a tree it looks very much as though Fort Wayne will have to organize and flock by itself so far as any identification with last year's association is concerned. Mr. Mautner recently assured The Sentinel that Fort Wayne has preserved all its rights and will be to the front with a rattling good club when the season opens.

Online, 2:04, the great pacing stallion, owned by Joseph Lesh, of Goshen, was yesterday sold by that gentleman to Marion Savage, of Minneapolis. The consideration is not made public.

CONTEST FOR POINTS MEDAL.

The annual contest for the points medal by members of the Fort Wayne Curling club will be held tomorrow afternoon, commencing at 1:30 at the club rinks on Delta lake. James Gillie holds the medal at present, having won it last year. There are about twenty-five members in the club and it is expected that all will take part. The medal will be given to the player scoring the highest number of points. There will be a practice game at 10 a. m.

CENSORSHIP IS RAISED.

New York, Dec. 31.—The Commercial Cable company this morning sends out the following notice:

"We are advised that the Eastern Extension Telegraph company makes the announcement that the American government has withdrawn the censorship on messages to Manila, but the government claims the right to inspect the messages to which this measure applies."

BURIAL OF NEIL CROPSEY.

New York, Dec. 31.—The body of Neil Cropsey arrived here today from Elizabeth City, N. C. With the body was Andrew G. Cropsey, of Brooklyn, uncle of the dead girl. The casket was removed from the train to a hearse and taken to the New Utrecht cemetery, Brooklyn, for interment.

FOR M'KINLEY MEMORIAL.

New York, Dec. 31.—At a meeting of the McKinley Memorial Fund association in this city a suggestion was made that special collections for the fund be taken in all churches Jan. 29, the anniversary of President McKinley's birth. The suggestion will in all probability be favorably acted upon by the local McKinley Memorial organization.

BANK LOOTERS FAIL.

Milford, Conn., Dec. 31.—An unsuccessful attempt was made early this morning to rob the Milford Savings bank. The burglars left after two explosions had failed to open the doors of the vault. The handles of the doors and the combination knob were broken off and considerable other damage caused.

KILLED BY MEXICANS.

Bisbee, Ariz., Dec. 31.—News has reached here of the killing of George Ashton and Cam Benningfield, well known cattle men, by Mexican woodchoppers in the Huachuca mountains. The trouble grew out of Benningfield's effort to remonstrate with the Mexicans who were shooting holes in his tent. The Mexicans escaped to the border line pursued by the dead cattlemen's freinds.

JAMES RIVER IS FALLING.

Richmond, Va., Dec. 31.—The water in the James river is falling slowly. The feed mill and plant of Werner, Moore & Co., which is in the flooded district and surrounded by water, is burning and will be a total loss, as it is impossible for the firemen to reach the flames on account of the flood.

HAS NEW WIRELESS METHOD.

Murray, Ky., Dec. 31.—N. B. Stubblefield, a local electric inventor, claims to have discovered an instrument by which sound can be transmitted through space, not only without wires, but so clearly that the voice can be heard as distinctly as is now the case with a telephone. He gave a demonstration to which he invited the leading men of this vicinity. Mr. Stubblefield claims the ground is a magnet and says that by the proper use of his instruments, when they shall have been perfected, ships at sea can be communicated with or battle directed from one ship to another. Thus far 300 yards is the longest distance he has tested.

Mrs. C. H. Newton, who has been visiting friends in the city, returned to her home in Toledo today.

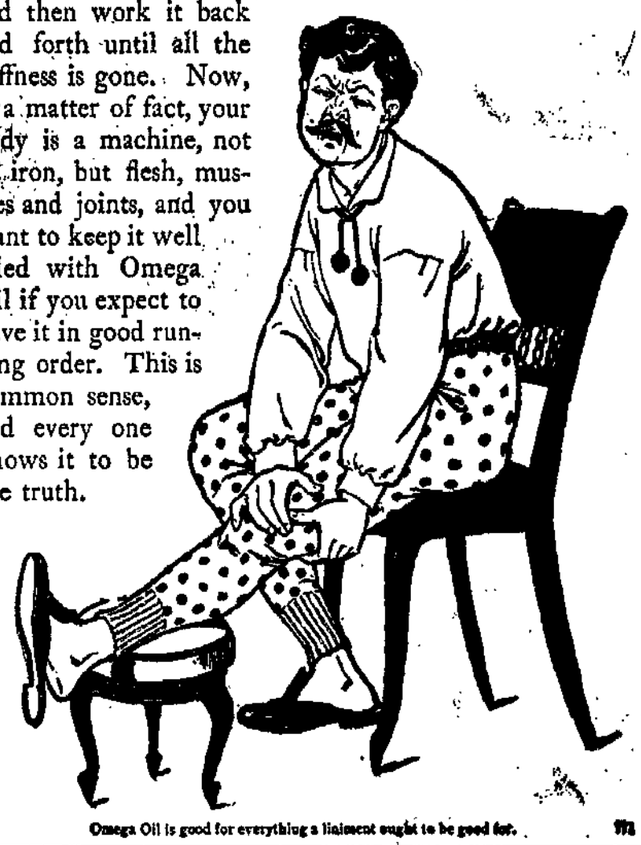
Stiff Joints

Omega Oil What a stiff joint needs more than anything else is Omega Oil. The next need is plenty of massage, or rubbing. The rubbing makes the blood flow faster, and the Oil loosens up and softens the hard, stiff places. The first thing to do with a stiff joint in machinery is to oil it, and then work it back and forth until all the stiffness is gone. Now, as a matter of fact, your body is a machine, not of iron, but flesh, muscles and joints, and you want to keep it well oiled with Omega Oil if you expect to have it in good running order. This is common sense, and every one knows it to be the truth.



Omega Oil is good for everything a liniment ought to be good for. 771

A Lady's Lunch

Has been rudely defined by some cynic as "slops and sweets." And after all there's more truth than poetry in the definition. Ice cream and cake may satisfy the palate, but they are far from satisfying to the stomach, which requires that food be nutritious first and nice afterward. By careless eating women pave the way for stomach "trouble," and its kindred miseries.

Dr. Pierce's Golden Medical Discovery is confidently commended as a cure for diseases of the stomach and other organs of digestion and nutrition. "No tongue could express the pain that I endured before I commenced taking Dr. Pierce's medicine. I was not able to do anything at all. Could not eat anything except bread and tea—or if I did the top of my head hurt so it seemed it would kill me; with all that I could do it would burn like fire. But now, since using your 'Golden Medical Discovery' and 'Favorite Prescription,' I can eat a little of almost anything I want, and can do a good day's work as well as anybody can. Am better than I have been for years."

UNITED IN DEATH

BRIDE AND GROOM-TO-BE ARE KILLED ON CROSSING.

DIED ON EVE OF MARRIAGE

MUNCIE CONTRACTOR AND A HENRY COUNTY WIDOW.

A WINTER SNAKE STORY

GENERAL NEWS OF THE STATE OF INDIANA.

New Castle, Ind., Dec. 31.—On the eve of their wedding, John P. Edwards, aged 56 years, a well known contractor of Muncie, and Mrs. Nancy Reeder, a wealthy widow who lived at Luray, ten miles north of this city, were run down and killed by a Pennsylvania train last evening at a dangerous grade crossing on Main street, where two persons have previously been killed. Edwards and Mrs. Reeder and a son and daughter of Mrs. Reeder had been to this city to visit relatives in the afternoon and had just started home to prepare for the wedding last night when the fatal accident occurred. The son and daughter of Mrs. Reeder were in a buggy in front of the buggy in which their mother and Edwards rode and were safely across the track when the train struck Edwards' buggy.

Edwards and Mrs. Reeder were muffled in wraps and as the side curtains were on the buggy they did not see the on-coming train. The engine struck the buggy as it was squarely upon the track and both the occupants were instantly killed. The bodies of the victims were badly mangled, the remains of the woman being carried on the pilot of the engine a quarter of a mile before the train was stopped. Edwards leaves a family of six children. Mrs. Reeder was a wealthy widow and had practiced law. Edwards drove to the country home of Mrs. Reeder yesterday and it was the intention of the couple to surprise their friends by the wedding last night.

BITTEN BY A BIG SNAKE.

Crawfordsville, Ind., Dec. 31.—Willie and Mary Daniels, aged 5 and 7 years, living near Sand creek, were bitten in several places yesterday by a large rattlesnake that had taken refuge from the cold weather in a stick of wood. The piece of wood had been carried into the house and placed behind the stove to dry. Yesterday afternoon the parents of the children were attracted by screams from the kitchen and were horrified to find the snake coiled in the little girl's lap. Her brother caught the reptile by the tail and was bitten on the hand. The girl was bitten twice upon the leg. The snake was killed. It was four feet long and had seven rattles and a button. The children will be taken to Terre Haute for treatment.

FATHER SHOOTS TWO SONS.

Columbus, Ind., Dec. 31.—A long chapter of distressing holiday accidents is reported from Brown county. While handling a shotgun yesterday John Ayres accidentally shot and probably fatally injured his two sons—one through the lungs and the other in the stomach. Stephen Richards swallowed a turkey bone and is in a dying condition. George Pitzer dropped his gun and one of his heels was shot away. Mrs. John Axouis was terribly burned by her clothes catching fire while she was cooking supper.

TWO SKATERS DROWNED.

Milan, Ind., Dec. 31.—John Dever, aged 26 years, and Mrs. Grace Fallis, aged 24 years, skated into a hole in the ice on Milan pond at 8:30 last night and both were drowned. Dever was the only son of A. J. Dever, a Milan merchant, who is at Cincinnati. Young Dever leaves a young widow and one child. Mrs. Fallis was the only daughter of Mrs. Bratten, a widow, whose only son, Clearance Bratten, died in the army during the Cuban war two years ago. Her husband, Charles Fallis, is a railroader with headquarters at Terre Haute. Dever and Mrs. Fallis skated into a place where the ice had been sawed out and neither came to the surface again.

AGED SETTLER DEAD.

Elkhart, Ind., Dec. 31.—David S. Simonton, one of the oldest and wealthiest citizens of this place, is dead, aged eighty-four. He was a native of Clarke county, Ohio, and was brought to Indiana in 1832. In early manhood he was a contractor and built most of the first houses in this city. He accumulated much Elkhart realty and also owned considerable property in Chicago, his total estate being valued at $125,000. A year ago he divided the bulk of this estate among his two sisters, one son and four grandchildren in order to avoid any contention after his death. The funeral was held today.

ELOPED WITH ANOTHER MAN.

Muncie, Ind., Dec. 31.—Miss Ella Dougherty, of Muncie, and Lewis C. Engle, of Indianapolis, eloped Saturday night and were married in Anderson, then continuing to Indianapolis, where a new home was in readiness. Charles Van Matre, a Muncie letter carrier, presented the young woman with a diamond ring Christmas, binding their engagement, and the young man was today dumbfounded at the wedding announcement. He states that he will extend congratulations, however.

DYING FROM JAILER'S BLOW.

Vincennes, Ind., Dec. 31.—Irwin Gammell is dying in the county jail here of paralysis produced by a blow on the head. He was struck by the turnkey at the jail in Terre Haute, whom Gammell assaulted in an attempt to escape. An operation might save the prisoner's life, but the authorities say it cannot be performed in the jail and they cannot free him unless he procures a bond. Gammell has served a term in the reformatory. In 1898, with his nephew, Bernie Freeman, he is said to have robbed the Bank of Commerce, at Sedalia, Mo., of $10,000. Freeman is now serving a life sentence at Michigan City for murder. Gammell was arrested here last April.

DIES ON WEDDING DAY.

Laporte, Ind., Dec. 31.—John Hensel, of Stillwell, was found dead yesterday morning. Coroner Bowell is making an investigation as to the cause of death. Yesterday afternoon was the appointed time for Hensel's marriage to Mrs. Sophia Harness, but the minister who was to have officiated at the marriage feast will today preach the sermon at the burial of Hensel, while the bride-elect will be the chief mourner.

IDENTIFIED AS A SWINDLER.

Kokomo, Ind., Dec. 31.—Through a photograph furnished by Attorney W. E. Blacklidge, of this city, Dr. J. B. Thomas, under arrest in Philadelphia, has been identified as the man who five years ago victimized brokers in this state. His swindling was done by means of bogus mortgages given in Kokomo, Lafayette, South Bend, Winchester, Ridgeville, Rushville, Crawfordsville, Logansport, Lebanon and Freeport. The man secured more than $30,000. He registered here as A. W. Sawyer, but he had a different name for every new locality he visited, posing as W. G. Moore, W. J. Hyatt, E. D. Morgan, A. A. Barnes, J. W. Warner and W. J. Brewer.

A FEW SPORTING NOTES

Now that Jeffries and Sharkey are matched to fight again all the jawsmiths in the country from Fitzsimmons down are working overtime telling what they will do to the winner of the match if given a chance. Even old Peter Maher wants to take a crack at the boss slugger after the next fight.

Tom Hickey and his new base ball league have finally got started and organized a mighty solid eight-club league at Kansas City yesterday. The circuit includes Indianapolis, Columbus and Toledo of last year's Western association and Charlie Strobel is correspondingly happy. Walter Wilmot of last year's Louisville-Grand Rapids team, has secured the Minneapolis franchise, and Fort Wayne's mentor of base ball, George Tebeau, has glued himself fast to Kansas City. Just what will become of the Western association next year is a problem that must be settled after the other big fellows get settled down. Toledo is gone, Columbus is gone, Grand Rapids is gone, Matthews is gone, Armour of Dayton has gone to the Eastern league, Wheeling will be forced out willy nilly, and Marion is said to be persona non grata, so that to a man up a tree it looks very much as though Fort Wayne will have to organize and flock by itself so far as any identification with last year's association is concerned. Mr. Mautner recently assured The Sentinel that Fort Wayne has preserved all its rights and will be to the front with a rattling good club when the season opens.

Online, 2:04, the great pacing stallion, owned by Joseph Lesh, of Goshen, was yesterday sold by that gentleman to Marion Savage, of Minneapolis. The consideration is not made public.

CONTEST FOR POINTS MEDAL.

The annual contest for the points medal by members of the Fort Wayne Curling club will be held tomorrow afternoon, commencing at 1:30 at the club rinks on Delta lake. James Gillie holds the medal at present, having won it last year. There are about twenty-five members in the club and it is expected that all will take part. The medal will be given to the player scoring the highest number of points. There will be a practice game at 10 a. m.

CENSORSHIP IS RAISED.

New York, Dec. 31.—The Commercial Cable company this morning sends out the following notice:

"We are advised that the Eastern Extension Telegraph company makes the announcement that the American government has withdrawn the censorship on messages to Manila, but the government claims the right to inspect the messages to which this measure applies."

BURIAL OF NEIL CROPSEY.

New York, Dec. 31.—The body of Neil Cropsey arrived here today from Elizabeth City, N. C. With the body was Andrew G. Cropsey, of Brooklyn, uncle of the dead girl. The casket was removed from the train to a hearse and taken to the New Utrecht cemetery, Brooklyn, for interment.

FOR M'KINLEY MEMORIAL.

New York, Dec. 31.—At a meeting of the McKinley Memorial Fund association in this city a suggestion was made that special collections for the fund be taken in all churches Jan. 29, the anniversary of President McKinley's birth. The suggestion will in all probability be favorably acted upon by the local McKinley Memorial organization.

BANK LOOTERS FAIL.

Milford, Conn., Dec. 31.—An unsuccessful attempt was made early this morning to rob the Milford Savings bank. The burglars left after two explosions had failed to open the doors of the vault. The handles of the doors and the combination knob were broken off and considerable other damage caused.

KILLED BY MEXICANS.

Bisbee, Ariz., Dec. 31.—News has reached here of the killing of George Ashton and Cam Benningfield, well known cattle men, by Mexican woodchoppers in the Huachuca mountains. The trouble grew out of Benningfield's effort to remonstrate with the Mexicans who were shooting holes in his tent. The Mexicans escaped to the border line pursued by the dead cattlemen's freinds.

JAMES RIVER IS FALLING.

Richmond, Va., Dec. 31.—The water in the James river is falling slowly. The feed mill and plant of Werner, Moore & Co., which is in the flooded district and surrounded by water, is burning and will be a total loss, as it is impossible for the firemen to reach the flames on account of the flood.

HAS NEW WIRELESS METHOD.

Murray, Ky., Dec. 31.—N. B. Stubblefield, a local electric inventor, claims to have discovered an instrument by which sound can be transmitted through space, not only without wires, but so clearly that the voice can be heard as distinctly as is now the case with a telephone. He gave a demonstration to which he invited the leading men of this vicinity. Mr. Stubblefield claims the ground is a magnet and says that by the proper use of his instruments, when they shall have been perfected, ships at sea can be communicated with or battle directed from one ship to another. Thus far 300 yards is the longest distance he has tested.

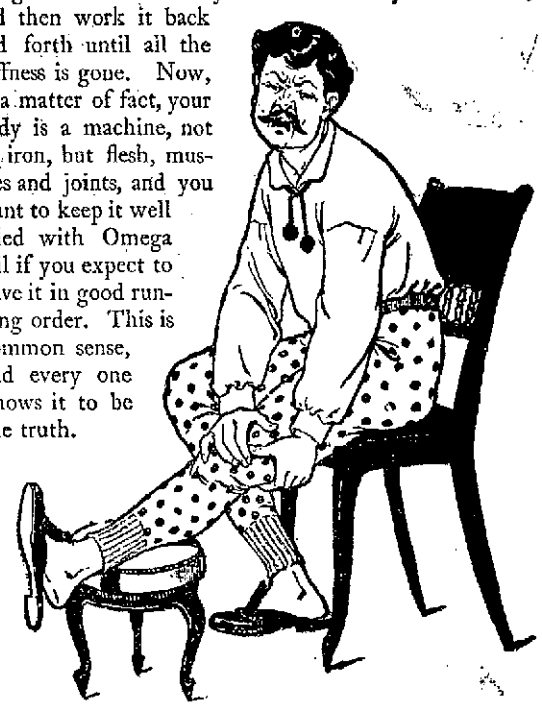
Stiff Joints

Omega Oil What a stiff joint needs more than anything else is Omega Oil. The next need is plenty of massage, or rubbing. The rubbing makes the blood flow faster, and the Oil loosens up and softens the hard, stiff places. The first thing to do with a stiff joint in machinery is to oil it, and then work it back and forth until all the stiffness is gone. Now, as a matter of fact, your body is a machine, not of iron, but flesh, muscles and joints, and you want to keep it well oiled with Omega Oil if you expect to have it in good running order. This is common sense, and every one knows it to be the truth.



Omega Oil is good for everything a liniment ought to be good for. 771

AGED LADY'S FALL IS FATAL

MRS. ABIGAIL WITT DIED THIS MORNING.

Had Fallen Down Stairs Saturday and Never Regained Consciousness—Other Deaths.

Mrs. Abigail Witt died at 9 o'clock this morning at the home of her brother, Nelson Leonard, in Washington township, just north of the city. Mrs. Witt's age was 84 years, 3 months and 4 days.

Death was the direct result of an accident Saturday morning at 8 o'clock, when the aged lady fell down the stairway leading to the cellar at the Leonard home. The shock was a severe one and she never revived from the unconsciousness which immediately followed her fall.

She was the widow of the late James Witt and resided at Columbus, Ohio, until a little more than two years ago, when she came to this county to make her home with her brother. There are no living children. Attorneys Elmer and Wilmer Leonard, of this city, are nephews of the deceased.

Funeral services will be held from the residence Thursday afternoon at 2:30. Interment at Lindenwood.

WEBER.

John Weber, 76 years of age, died at 5:30 o'clock this morning at the home of his son, John Weber, on Chestnut street, in the eastern part of the city, after an extended illness from dropsy.

SAYS CHECK IS A FORGERY

UNKNOWN MAN HAD A TASTE FOR FLOWERS.

Fraudulent Check for $10 Passed Upon Mrs. Auger Bore Name of C. E. Hadsell.

Sunday afternoon an unknown man entered the floral establishment of Mrs. Auger, on East Washington street, and negotiated for the purchase of some flowers to be shipped to an address in Nebraska. He was extremely anxious that the flowers be shipped at once in order to reach the destination by this evening. His sister was to be married and he wanted to be properly represented in the floral offerings.

Five dollars was the amount of the bill, and in payment the man tendered a check dated December 28, drawn upon the First National bank, for $10, payable to Frank Williams and bearing the signature "C. E. Hadsell." Mr. Hadsell was formerly in the fruit business on Harrison street and is now connected with the Adams Express offices in this city, and Mrs. Auger had no hesitancy in accepting it, giving the customer a $5 bill in change.

Trouble started yesterday when the check reached the bank. Mr. Hadsell had never carried an account at the First National, and payment was refused on the check. When Mr. Hadsell's attention was called to the check he promptly pronounced it a forgery, and a very clumsy one at that. Mr. Hadsell says he has not drawn a check in more than three weeks, and has no idea who "Frank Williams" might be, as he has no acquaintance with and no business dealings with any such individual.

The matter has been reported to the police, and it is understood that officers are now at work upon the case.

CHINESE AFFAIRS.

Pekin, Dec. 31.—The Chinese court will proceed by train from Pao-ting-fu for Pekin Jan. 7. The Russian minister to China, M. Paul Lessar, has informed the Chinese plenipotentiaries, Prince Ching and Wang Wen Shao, that the Russian government will refuse to amend the Manchurian treaty, and the situation is practically a deadlock.

THE MARKETS.

Chicago, Dec. 31.—Disappointing cables brought an easier tone in all grains at the opening today. Liverpool reported both wheat and corn well advanced, but the rise was not sufficient to reflect the strength here yesterday. With this influence May wheat opened ½c to ¼c lower at 82c to 81⅞c. There was a good commission house demand, however, at these prices and a sharp reaction to 82½c followed. Reports from Argentina stated that rain is needed there very much to help out the crops. This had some slight bullish influence. Toward the end of the first hour some small profit-taking eased the market again to 82½c. Local receipts were small at 56 cars, 1 of contract grade. The northwest also reported small receipts, Minneapolis and Duluth having 473 cars. The corresponding days last week and a year ago were holidays.

Corn was steady though slightly easier at the opening on cables. May started ⅛c to ¼c lower at 66⅜c to 66¼c. There was a moderate demand at ⅛c to ¼c under yesterday's close and some covering brought prices back to 66¾c. Later profit-taking influenced a return to opening prices. Receipts were 250 cars.

Oats were profoundly dull with no features to the market. May opened ⅛c to ⅛@¼c down at 45⅜c to 45¼@45⅜c. On the slight early bulge in other grains this pit registered 45⅝@45¾c for May, but sold off again to 45½c. Receipts were 172 cars.

Provisions opened lower all around on liberal receipts and lower prices at the yards. There was some outside demand on the decline which firmed the market in spite of the weaker hog situation and kept prices steady after the first slump. May pork opened 12½c to 7½c lower at $17.35@17.40, sold off to $17.30, but reacted again to the higher opening prices. May lard started 7½c to 5c lower at $10.12½@10.15 and sold down to $10.10, and May ribs 7½c lower at $8.85 and advanced 2½c.

THE CLOSE.

Prices at the close were as follows:
Wheat—Dec., 74¼c; Jan., 78¼c; May, 82½c; July, 82¾c; Aug., 80¾c.
Corn—Dec., 63⅝c; Jan., 63⅜c; May, 66⅜c.
Oats—Dec., 45½c; Jan., 44¾c; May, 45⅝c; July, 39½c; Sept., 33½c.

COUNTY BIDS OPENED.

The county commissioners this afternoon opened bids for the county printing, stationery, coal, oil and electrical supplies. No contracts have been awarded at this writing, although it is a foregone conclusion that William Kaough will get the coal contract, his bid being much the lowest. The bidders were as follows: Printing—The Journal company, Newspaper Union, Archer Printing company, The Sentinel. Stationery and Blank Books—Siemon & Bro. and Fisher Brothers. Coal—William Kaough, J. M. Moderwell and George H. Krudop. Oil—Leonard & Ellis. Electrical Supplies—Hattersley & Sons and Fort Wayne Electric company.

THE GOVERNORS' CONFERENCE.

Helena, Mont., Dec. 31.—The conference of governors and attorneys general of the northwestern states, called to take action on the proposed Northern Pacific-Great Northern-Burlington merger, reconvened in Governor Toole's office this afternoon. All those who attended yesterday's meeting were present. Before discussing plans for unanimous action by the northwest commonwealths in regard to the railway consolidations, resolutions of sorrow at the death of Governor Rogers, of Washington, were adopted. The discussion of plans for fighting the merger was held behind closed doors. It seemed to be the general sentiment that final action would be reached this afternoon and the distinguished visitors will leave for their homes tonight.

DR. LOEB'S THEORY.

Chicago, Dec. 31.—At today's session of the American Physicological society, Dr. Jacques Loeb followed his paper of yesterday with another in the same line of thought. He said his experiments in prolonging the existence of the lower forms of life led to the belief that the life of higher organizations is electro-dynamic in its nature. He declared that probably foodstuffs and medicines were not valuable for their individual properties, but for the quantity of positive or negative atoms of electricity they contained. In a word, Dr. Loeb looks upon food and medicine as valuable for the sustenance of what he called the "human dynamo." "I have come to the conclusion," said the speaker, "that at least a part of the energies of foodstuffs are turned into electrical forces."

BOWLERS TO MEET.

Dayton, Ohio, Dec. 31.—Secretary Sam Karpf gave out today the official call for the next annual meeting of the American bowling congress, which will be held in Buffalo January 21. The call says the time of the congress is necessarily limited and urges delegates to be on hand promptly in order to give proper consideration to the important business to be disposed of.

TOOK A DEADLY DRINK.

Sanford, Ind., Dec. 31.—As the result of drinking eight two-ounce bottles of lemon extract, William King, a farmer residing southeast of Paris, is dead. Coroner Roberts held an inquest, recommending that the grand jury investigate and prosecute merchants selling extract for drinking, this being the fifth death of the kind in this vicinity recently.

COLLEGE IS DESTROYED.

Albany, N. Y., Dec. 31.—The Sacred Heart college attached to St. Joseph's church, Cohoes, was totally destroyed and St. Ann's convent, which adjoins it, was badly damaged by a fire last night. Monsignor Dugas, of St. Joseph's church, estimates the total damage at $60,000, partly covered by insurance. The college was the largest in the Albany diocese and had seven hundred students.

NEWSPAPER MAN DIES.

Washington, Dec. 31.—James S. Van Antwerp, a widely known newspaper correspondent, died early today at his home in this city. His death was due to physical and nervous collapse superinduced by overwork. He was the Washington representative of the Philadelphia Bulletin, Seattle Times, Milwaukee Wisconsin, Los Angeles Herald, Duluth Herald and Richmond Times.

A KNOCK.

Cholley Borem—Have you heard the latest?

Miss Cutting (weakly)—Yes, I think the hall clock just struck twelve, if I'm not much mistaken.

AGED LADY'S FALL IS FATAL

MRS. ABIGAIL WITT DIED THIS MORNING.

Had Fallen Down Stairs Saturday and Never Regained Consciousness—Other Deaths.

Mrs. Abigail Witt died at 9 o'clock this morning at the home of her brother, Nelson Leonard, in Washington township, just north of the city. Mrs. Witt's age was 84 years, 3 months and 4 days.

Death was the direct result of an accident Saturday morning at 8 o'clock, when the aged lady fell down the stairway leading to the cellar at the Leonard home. The shock was a severe one and she never revived from the unconsciousness which immediately followed her fall.

She was the widow of the late James Witt and resided at Columbus, Ohio, until a little more than two years ago, when she came to this county to make her home with her brother. There are no living children. Attorneys Elmer and Wilmer Leonard, of this city, are nephews of the deceased.

Funeral services will be held from the residence Thursday afternoon at 2:30. Interment at Lindenwood.

WEBER.

John Weber, 76 years of age, died at 5:30 o'clock this morning at the home of his son, John Weber, on Chestnut street, in the eastern part of the city, after an extended illness from dropsy.

Mr. Weber was a native of Germany, but had resided in Fort Wayne many years, and was formerly a miller at the City mills. His wife died about three years ago, and there are two sons—John and Frank Weber.

FUNERAL ANNOUNCEMENTS.

Miller.—Funeral services of Mrs. Helena Miller will be held Wednesday afternoon at 1:30 from the residence, 18 Marion street, and at 2 o'clock from Trinity Lutheran church. Rev. Bohn will officiate, and the interment will be at Concordia.

Shambaugh.—Funeral services of Daniel Shambaugh will be held Wednesday morning at 10:30 o'clock from the residence near Leo. Rev. Eick will officiate.

Meyer.—Funeral services of Mrs. Charles Meyer will be held Thursday afternoon at 1:30 from the residence, 149 Ewing street, and at 2 o'clock from Emanuel Lutheran church.

Stone.—Funeral services of Mrs. Mary A. Stone will be held from the residence, 133 East Creighton avenue, Thursday afternoon at 1:30 o'clock. Rev. Norris will officiate, and the interment will be at Lindenwood.

SAYS CHECK IS A FORGERY

UNKNOWN MAN HAD A TASTE FOR FLOWERS.

Fraudulent Check for $10 Passed Upon Mrs. Auger Bore Name of C. E. Hadsell.

Sunday afternoon an unknown man entered the floral establishment of Mrs. Auger, on East Washington street, and negotiated for the purchase of some flowers to be shipped to an address in Nebraska. He was extremely anxious that the flowers be shipped at once in order to reach the destination by this evening. His sister was to be married and he wanted to be properly represented in the floral offerings.

Five dollars was the amount of the bill, and in payment the man tendered a check dated December 28, drawn upon the First National bank, for $10, payable to Frank Williams and bearing the signature "C. E. Hadsell." Mr. Hadsell was formerly in the fruit business on Harrison street and is now connected with the Adams Express offices in this city, and Mrs. Auger had no hesitancy in accepting it, giving the customer a $5 bill in change.

Trouble started yesterday when the check reached the bank. Mr. Hadsell had never carried an account at the First National, and payment was refused on the check. When Mr. Hadsell's attention was called to the check he promptly pronounced it a forgery, and a very clumsy one at that. Mr. Hadsell says he has not drawn a check in more than three weeks, and has no idea who "Frank Williams" might be, as he has no acquaintance with and no business dealings with any such individual.

The matter has been reported to the police, and it is understood that officers are now at work upon the case.

CHINESE AFFAIRS.

Pekin, Dec. 31.—The Chinese court will proceed by train from Pao-tingfu for Pekin Jan. 7. The Russian minister to China, M. Paul Lessar, has informed the Chinese plenipotentiaries, Prince Ching and Wang Wen Shao, that the Russian government will refuse to amend the Manchurian treaty, and the situation is practically a deadlock.

THE MARKETS.

Chicago, Dec. 31.—Disappointing cables brought an easier tone in all grains at the opening today. Liverpool reported both wheat and corn well advanced, but the rise was not sufficient to reflect the strength here yesterday. With this influence May wheat opened ⅛c to ¼c lower at 82c to 81⅞c. There was a good commission house demand, however, at these prices and a sharp reaction to 82⅛c followed. Reports from Argentina stated that rain is needed there very much to help out the crops. This had some slight bullish influence. Toward the end of the first hour some small profit-taking eased the market again to 82⅛c. Local receipts were small at 56 cars, 1 of contract grade. The northwest also reported small receipts, Minneapolis and Duluth having 473 cars. The corresponding days last week and a year ago were holidays.

Corn was steady though slightly easier at the opening on cables. May started ⅛c to ¼c lower at 66⅜c to 66¼c. There was a moderate demand at ⅛c to ¼c under yesterday's close and some covering brought prices back to 66¾c. Later profit-taking influenced a return to opening prices. Receipts were 230 cars.

Oats were profoundly dull with no features to the market. May opened ⅛c to ⅛@¼c down at 45⅛c to 45¼@45⅜c. On the slight early bulge in other grains this pit registered 45⅝@45¾c for May, but sold off again to 45⅛c. Receipts were 172 cars.

Provisions opened lower all around on liberal receipts and lower prices at the yards. There was some outside demand on the decline which firmed the market in spite of the weaker hog situation and kept prices steady after the first slump. May pork opened 12½c to 7½c lower at $17.35@17.40, sold off to $17.30, but reacted again to the higher opening prices. May lard started 7½c to 5c lower at $10.12½@10.15 and sold down to $10.10, and May ribs 7½c lower at $8.85 and advanced 2½c.

THE CLOSE.

Prices at the close were as follows:

Wheat—Dec., 74¼c; Jan., 78¼c; May, 82⅛c; July, 82⅜c; Aug., 80¾c.

Corn—Dec., 63⅜c; Jan., 63⅜c; May, 66¾c.

Oats—Dec., 45⅛c; Jan., 44⅜c; May, 45⅜c; July, 39½c; Sept., 33½c.

Pork—Dec., $15.80; Jan., $16.80, May, $17.30; July, $17.32½.

Lard—Dec., $9.95; Jan., $9.95; May, $10.02½.

COUNTY BIDS OPENED.

The county commissioners this afternoon opened bids for the county printing, stationery, coal, oil and electrical supplies. No contracts have been awarded at this writing, although it is a foregone conclusion that William Kaough will get the coal contract, his bid being much the lowest. The bidders were as follows: Printing—The Journal company, Newspaper Union, Archer Printing company, The Sentinel. Stationery and Blank Books—Siemon & Bro. and Fisher Brothers. Coal—William Kaough, J. M. Moderwell and George H. Krudop. Oil—Leonard & Ellis. Electrical Supplies—Hattersley & Sons and Fort Wayne Electric company.

THE GOVERNORS' CONFERENCE.

Helena, Mont., Dec. 31.—The conference of governors and attorneys general of the northwestern states, called to take action on the proposed Northern Pacific-Great Northern-Burlington merger, reconvened in Governor Toole's office this afternoon. All those who attended yesterday's meeting were present. Before discussing plans for unanimous action by the northwest commonwealths in regard to the railway consolidations, resolutions of sorrow at the death of Governor Rogers, of Washington, were adopted. The discussion of plans for fighting the merger was held behind closed doors. It seemed to be the general sentiment that final action would be reached this afternoon and the distinguished visitors will leave for their homes tonight.

DR. LOEB'S THEORY.

Chicago, Dec. 31.—At today's session of the American Physicological society, Dr. Jacques Loeb followed his paper of yesterday with another in the same line of thought. He said his experiments in prolonging the existence of the lower forms of life led to the belief that the life of higher organizations is electro-dynamic in its nature. He declared that probably foodstuffs and medicines were not valuable for their individual properties, but for the quantity of positive or negative atoms of electricity they contained. In a word, Dr. Loeb looks upon food and medicine as valuable for the sustenance of what he called the "human dynamo." "I have come to the conclusion," said the speaker, "that at least a part of the energies of foodstuffs are turned into electrical forces."

BOWLERS TO MEET.

Dayton, Ohio, Dec. 31.—Secretary Sam Karpf gave out today the official call for the next annual meeting of the American bowling congress, which will be held in Buffalo January 21. The call says the time of the congress is necessarily limited and urges delegates to be on hand promptly in order to give proper consideration to the important business to be disposed of.

TOOK A DEADLY DRINK.

Sanford, Ind., Dec. 31.—As the result of drinking eight two-ounce bottles of lemon extract, William King, a farmer residing southeast of Paris, is dead. Coroner Roberts held an inquest, recommending that the grand jury investigate and prosecute merchants selling extract for drinking, this being the fifth death of the kind in this vicinity recently.

COLLEGE IS DESTROYED.

Albany, N. Y., Dec. 31.—The Sacred Heart college attached to St. Joseph's church, Cohoes, was totally destroyed and St. Ann's convent, which adjoins it, was badly damaged by a fire last night. Monsignor Dugas, of St. Joseph's church, estimates the total damage at $60,000, partly covered by insurance. The college was the largest in the Albany diocese and had seven hundred students.

NEWSPAPER MAN DIES.

Washington, Dec. 31.—James S. Van Antwerp, a widely known newspaper correspondent, died early today at his home in this city. His death was due to physical and nervous collapse superinduced by overwork. He was the Washington representative of the Philadelphia Bulletin, Seattle Times, Milwaukee Wisconsin, Los Angeles Herald, Duluth Herald and Richmond Times.

A CASE OF IT.

MANY MORE LIKE IT IN FORT WAYNE.

The following case is but one of many similar occurring daily in Fort Wayne. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such conclusive evidence.

Mrs. Adolph Felt, of No. 12 Caroline street, says: "Before I took Doan's Kidney Pills, sold at Meyer Bros. & Co.'s drug store, I was afflicted with kidney trouble so that I could hardly attend to my household work, and when I did a little more than usual my back ached so I could hardly stand it. Once a week I was sure to be used up with sick headache and sometimes oftener. I tried other remedies before I did Doan's Kidney Pills, but the kidney trouble stuck right to me. Shortly after I commenced the treatment the backache and headaches disappeared and I have had no return of them since."

A FITTING CLOSE

ELECTRIC WORKS APPROPRIATELY ENDS YEAR.

BIG SHIPMENT ON LAST DAY

SENDS OUT MUCH VALUABLE MACHINERY.

THE M'KEE BANQUET AT PERU

SIXTY ENGINEMEN DINE WITH THE MASTER MECHANIC.

The Fort Wayne Electric works fittingly closed its year's business today, when it placed upon its order books a good number of orders for electrical machinery and supplies and shipped out a number of valuable pieces of machinery. Among the shipments were a car load to Tipton, Ind., consisting of two ninety-light arc machines, with lamps, and two 2,000-light incandescent dynamos, with the necessary trimmings for a plant. A five-horse power motor to Richmond, Va., and a small dynamo to Rhinebeck, N. Y., also left the works this morning and the packers and shippers were busy as bees all day packing up and marking other goods that were due to leave today. The past year has been the most prosperous in the history of the plant. During that period there have been many additions and improvements made to the buildings and their equipment and the working force has been nearly doubled. The coming year promises even greater things for the works.

THE ENGINEMEN'S BANQUET.

The banquet at the Bearrs hotel in Peru last evening in honor of G. S. McKee, the retiring master mechanic of the Wabash, given by the employes of the road, was all that the most sanguine participant could wish for. There were sixty plates and A. B. Switzer officiated as toastmaster. Most of the participants were engineers and firemen, but there was a fair representation, also, of the roundhouses and shops of the eastern division. JOHN BROWN INJURED.

John Brown met with a painful accident in Toledo Sunday, where he was directing some work at the pumping station of the Wabash. A block of wood on which were some nails, the heads of which protruded about an inch, fell upon one of Mr. Brown's hands and in addition to a bad bruise from the weight of the block, there were two bad cuts made by the nails. The hand became greatly swollen before a surgeon could be secured and it was feared that blood poisoning might result. Mr. Brown is waterworks superintendent of the eastern division of the Wabash, with headquarters in this city.

NO SUCCESSOR TO TAYLOR.

The announcement of the appointment of a general superintendent of transportation of the Pennsylvania is overdue, still there is no indication that announcement will be made for several days. In the meantime all kinds of guessing is going on. This one from the Pittsburg Post seems rational and is probably nearer the mark than any that have appeared:

"It is announced now that Superintendent A. M. Schoyer, of the Fort Wayne eastern division, is to succeed E. B. Taylor as general superintendent of transportation, and that W. C. Cushing, superintendent of the Pittsburg division of the Panhandle, will succeed Mr. Schoyer on the Fort Wayne. R. C. McCarty is said to be slated to succeed Mr. Cushing as superintendent of the Pittsburg division of the Panhandle, and James McCulloch is to succeed Mr. McCarty as general trainmaster. In the absence of official information these statements could not be corroborated, but they emanated from a very reliable source and it was stated that the changes would be effective January 1st."

OTHERS GET AN INCREASE.

The Baltimore and Ohio road has followed the example set by the Pennsylvania and has served notice upon its trainmen and enginemen that their wages would be increased from ten to twenty cents per day on January 1, 1902.

There is a rumor afloat that the Wabash has a similar surprise in store for its trainmen, but up to noon today no bulletin to this effect had been received.

MR. RAMSEY'S GREETING.

President Ramsey has issued a New Year's greeting to the employes of the Wabash and copies of the greeting were received here today and placed upon the several bulletin boards. The greeting is as follows: "At this holiday time, which marks the closing of the first year of the new century, I hereby extend to all officials and employes of the Wabash system my thanks for the ability and faithfulness with which they have discharged their respective duties. The Wabash has pushed to the front, this year being the most successful in its financial history. The president realizes that the successful operation of the property depends in a large measure upon the fidelity of all employes, and heads of departments are requested to convey to all Wabash men of every grade the congratulations of this holiday season in their fullest sense—A happy Christmas and a glad New Year to all."

WABASH PUTS UP A KICK.

The Wabash Plain Dealer says that the citizens of that city are inclined to kick because the Continental limited on the Wabash road, is not scheduled to stop at that point. A committee of citizens waited upon Agent Thomas and that gentleman has forwarded their complaint to transportation headquarters. The Continental limited, known on the time card as Nos. 1 and 4, is one of the fastest and finest trains crossing the state of Indiana and naturally the Wabash people feel hurt that it will not stop at that city to take on and let off passengers.

INDUSTRIAL NOTES.

[illegible] school will meet [illegible] of [illegible]

on account of the nearness of the New Year holiday.

John Murphy, boilermaker at the Wabash shops, is sick.

Nickel Plate Fireman H. F. Mansfield has gone to Cleveland to spend a few days with his parents.

Engineers George Quidor and M. O'Brien, at the Nickel Plate, are off duty on account of sickness.

Boilermaker Fred Trarbach, of the Pittsburg, was called home last night by the serious illness of his wife.

Edward Fisher, of the arc department, has gone to Illinois to repair some machinery for the Electric company.

Foreman Joseph Slater, of the Bass blacksmith shop, went to Indianapolis this morning on business for the company.

X. and J. H. Klingenberger, of the Pittsburg car shops, will leave in a day or two for Bucyrus, Ohio, where they will visit relatives.

Engineer W. H. Carpenter, formerly on the Pittsburg, has returned from the west and will probably remain permanently in this city.

R. J. Fisher, traveling salesman for the Bass company, left this morning for Toledo, and thence to Cleveland, in the interest of the company.

Leon Hoffman has taken a position in the Electric works, under Foreman Charles F. Knothe. John Howe has taken a position in the erecting room.

Conductor Sylvester McMahon resumed his run on the Pittsburg road this morning, after a pleasant visit with his brother in Grand Rapids, Mich.

Brakeman P. J. Miles, J. J. Stephens, C. R. Lynas and L. D. Thomas, of the Nickel Plate, are off duty, Mr. Thomas on account of sickness.

George Jackson went to Mt. Sterling this morning to install an electric plant, the machinery for which was built at the Fort Wayne Electric works.

Nickel Plate engine 6 is out of the Stony Island shops, after receiving general repairs. She has been turned over to Engineer John Bottger for service on the third district.

J. T. Morgan, a clerk in the Pittsburg freight offices, who has been lying very ill at his father's home for a week, is greatly improved and will soon be able to resume his place at the desk.

Wabash Boilermaker Fred Kayser fell on Christmas day and dislocated one of his ankles. He was absent from the shop and the foreman did not learn the cause until today, Mr. Kayser failing to send word.

Mr. and Mrs. L. G. Kitselman and daughter, who were here to attend the funeral of Mrs. Hannah Kitselman, returned to their home in Elkhart yesterday. Mr. Kitselman is an engineer on the Lake Shore road.

The Pennsylvania wreck crew was called to Van Wert yesterday to pick up a box car which left the rails on a siding and turned over. No delay to traffic occurred save to the train of which the derailed car was a part.

Bridge Superintendent W. S. Danes, of the Wabash, came up from Peru this morning to look after some improvements that are being made in his department and have a farewell chat with Master Mechanic G. S. McKee.

Tonight the boilermakers union will give their annual ball at Saengerbund hall and they anticipate a good time. Every detail looking to the pleasure and comfort of their guests has been attended to by the boilermakers, the ticket sales have been large and there is no reason why the affair should not come up to the expectations of the most sanguine.

Carpenters and masons are at work in making an improvement at the Wabash freight building. When they have completed their work, the telegraph office will be where Yardmaster Dennis Hayes' office is now and the latter will occupy the former quarters of the telegraph department. The change will be a decided improvement.

It now looks as though Motive Power Superintendent J. B. Barnes, of the Wabash, has no intention of appointing a master mechanic for the eastern division of the road for some days. This morning instructions from his office were to the effect that all reports usually made to the master mechanic would be made to him and that all communications from the office would be over his signature. Practically, Mr. Barnes will be holding two offices after today.

In calling attention to the first annual ball to be given by the Ladies' auxiliary of the Brotherhood of Railway Trainmen at Knights at Columbus hall tomorrow night, the city papers omitted mention of an important feature, which will be an innovation in public affairs of this character. The ladies have a drill in which they have attained a high degree of perfection which they will give at 8:30 o'clock, just before the grand march. The ball promises to be one of the most pleasant of the season and it should be one of the most largely attended.

The Cincinnati, Hamilton and Dayton have an organization which is called "The Board of Federation Order," which includes in its membership every man, from president to the most humble employe. The Findlay, Fort Wayne and Western road, being a Cincinnati, Hamilton and Dayton property, is about to be taken into the federation and the employes of that line have chosen Conductor Frank I. Stump their representative. He will attend the conference in Cincinnati on January 22.

J. J. Lynch, the coppersmith, who had some fingers badly cut last week upon an emery wheel, is getting along nicely and will resume work Thursday.

Herman Knappe, assistant hostler at the Pittsburg round house, lost the nail and a portion of the third finger of the right hand yesterday by letting a drop grate fall on it.

M. H. Griffith and W. H. Long are sick and J. Richard and C. E. Romy are looking after personal business. C. B. Brown is off duty on account of a slight accident yesterday. One of his fingers was injured.

Conductor Fred Deahl, who was off duty on account of the sickness of his son; Conductor W. B. Kitselman, who was off duty on account of the death of his mother; Conductor W. Waterson, who was resting, and Brakemen E. J. Summers, Charles Gray and T. H. Gallivan, who were sick, have returned to their duties on the Nickel Plate.

Foreman P. J. Scheid, of the Pittsburg round house, added three names to his list of workmen this morning and two were dropped therefrom. The new ones are Nick S. Wacekauski, August H. Witte and Herman Trutwig, the two latter being transferred from Foreman Brown's section gang. The men who quit work are J. Volz and A. Stephens.

Henry Haberkorn, one of the old and well known Pittsburg shopmen, is very ill at his home on Hoagland avenue. He was attacked by locomotor ataxia ten years ago and has been on the retired list ever since, but until recently his condition was not one to give apprehension of immediate serious results. Dr. Van Buskirk is attending Mr. Haberkorn.

Machinist Charles Johnson, of the Indiana Machine works, had the tip of the index finger of his left hand clipped off by a machine which is termed a "clipper." Dr. George B Stemen was called to dress the wounded digit. Mr. Johnson operates a planer at the shop, but occasionally tries his hand at the clipper, which is there for the accommodation of all who may have occasion to use it.

When Fires Burn Low

When the fires burn low the house is cold. We shiver and shake and move about. When the vital forces fail the system suffers ---the strength declines---the blood grows thin---resistive power is lost. Cold weather---a natural, healthful stimulant to the vigorous and robust, becomes a thing of dread---a danger. Exposure in this condition means all manner of colds, cougs, chills, neuralgia and rheumatism. To guard against such a catastrophe---to put ourselves in the best possible condition---one of robust, vigorous health, full of resistive power, the Dr. A. W. Chase Nerve Pills stand as a medicine beyond comparison, furnishing as they do the very elements that go to make one rich in blood, vigorous, strong and hardy.

This shaped box---no other. Signature and portrait of Dr. A. W. Chase on each box. Price 50 cents at dealers or Dr. A. W. Chase Med. Co., 257 Washington St., Buffalo, N. Y.

Mrs. T. Webb, of No. 57 Superior St., Fort Wayne, Ind., says: "Dr. A. W. Chase's Nerve Pills I got at Meyer Bros., & Co.'s drug store, No. 14 Calhoun street, is a very fine all round regulator and tonic to the nerves, blood, digestion and system generally. I felt generally wrong in every way and debilitated, the medicine built me up, steadied the nerves and regulated the liver and digestion finely. I think as I said before it is a fine all round tonic and regulator."

Mr. W. H. Green, of No. 76 Lafayette St., Fort Wayne, Ind., says: "Dr. A. W. Chase's Nerve Pills are excellent. I was debilitated, nervous, appetite flagging and felt below my usual standard of health. The Nerve Pills, however, that I got at Meyer Bros. & Co.'s drug store, No. 14 Calhoun street, proved to be just what I needed. I find my appetite good, nerves steady, sleep restful and a general feeling of well being and energy in evidence. I am very much pleased with the medicine as a nerve and general tonic and glad to say so."

Mr. J. H. Boleus, of No. 136 West Main St., Fort Wayne, Ind., says: "Owing to shock some years ago I have had more or less difficulty sleeping and the nerves were unstrung. I was induced to use Dr. A. W. Chase's Nerve Pills and got some at Meyer Bros. & Co.'s drug store, No. 14 Calhoun street, and am able from the excellent results in the matter of obtaining nerve steadiness and strength and restful sleep to recommend the medicine to others as a reliable nerve tonic."

MANY MORE LIKE IT IN FORT WAYNE.

The following case is but one of many similar occurring daily in Fort Wayne. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such conclusive evidence.

Mrs. Adolph Felt, of No. 12 Caroline street, says: "Before I took Doan's Kidney Pills, sold at Meyer Bros. & Co.'s drug store, I was afflicted with kidney trouble so that I could hardly attend to my household work, and when I did a little more than usual my back ached so I could hardly stand it. Once a week I was sure to be used up with sick headache and sometimes oftener. I tried other remedies before I did Doan's Kidney Pills, but the kidney trouble stuck right to me. Shortly after I commenced the treatment the backache and headaches disappeared and I have had no return of them since."

A FITTING CLOSE

ELECTRIC WORKS APPROPRIATELY ENDS YEAR.

BIG SHIPMENT ON LAST DAY

SENDS OUT MUCH VALUABLE MACHINERY.

THE M'KEE BANQUET AT PERU

SIXTY ENGINEMEN DINE WITH THE MASTER MECHANIC.

The Fort Wayne Electric works fittingly closed its year's business today, when it placed upon its order books a good number of orders for electrical machinery and supplies and shipped out a number of valuable pieces of machinery. Among the shipments were a car load to Tipton, Ind., consisting of two ninety-light arc machines, with lamps, and two 2,000-light incandescent dynamos, with the necessary trimmings for a plant. A five-horse power motor to Richmond, Va., and a small dynamo to Rhineheck, N. Y., also left the works this morning and the packers and shippers were busy as bees all day packing up and marking other goods that were due to leave today. The past year has been the most prosperous in the history of the plant. During that period there have been many additions and improvements made to the buildings and their equipment and the working force has been nearly doubled. The coming year promises even greater things for the works.

THE ENGINEMEN'S BANQUET.

The banquet at the Bearss hotel in Peru last evening in honor of G. S. Practically, Mr. Barnes will be holding two offices after today.

In calling attention to the first annual ball to be given by the Ladies' auxiliary of the Brotherhood of Railway Trainmen at Knights at Columbus hall tomorrow night, the city papers omitted mention of an important feature, which will be an innovation in public affairs of this character. The ladies have a drill in which they have attained a high degree of perfection which they will give at 8:30 o'clock, just before the grand march. The ball promises to be one of the most pleasant of the season and it should be one of the most largely attended.

The Cincinnati, Hamilton and Dayton have an organization which is called "The Board of Federation Order," which includes in its membership every man, from president to the most humble employe. The Findlay, Fort Wayne and Western road, being a Cincinnati, Hamilton and Dayton property, is about to be taken into the federation and the employes of that line have chosen Conductor Frank I. Stump their representative. He will attend the conference in Cincinnati on January 22.

J. J. Lynch, the coppersmith, who had some fingers badly cut last week upon an emery wheel, is getting along nicely and will resume work Thursday.

Herman Knappe, assistant hostler at the Pittsburg round house, lost the nail and a portion of the third finger of the right hand yesterday by letting a drop grate fall on it.

M. H. Griffith and W. H. Long are sick and J. Richard and C. E. Romy are looking after personal business. C. B. Brown is off duty on account of a slight accident yesterday. One of his fingers was injured.

Conductor Fred Deahl, who was off duty on account of the sickness of his son; Conductor W. B. Kitselman, who was off duty on account of the death of his mother; Conductor W. Waterson, who was resting, and Brakemen E. J. Summers, Charles Gray and T. H. Gallivan, who were sick, have returned to their duties on the Nickel Plate.

Foreman P. J. Scheid, of the Pittsburg round house, added three names to his list of workmen this morning and two were dropped therefrom. The new ones are Nick S. Waceknauski, August H. Witte and Herman Trutwig, the two latter being transferred from Foreman Brown's section gang. The men who quit work are J. Volz and A. Stephens.

Henry Haberkorn, one of the old and well known Pittsburg shopmen, is very ill at his home on Hoagland avenue. He was attacked by locomotor ataxia ten years ago and has been on the retired list ever since, but until recently his condition was not one to give apprehension of immediate serious results. Dr. Van Buskirk is attending Mr. Haberkorn.

Machinist Charles Johnson, of the Indiana Machine works, had the tip of the index finger of his left hand clipped off by a machine which is termed a "clipper." Dr. George B Stemen was called to dress the wounded digit. Mr. Johnson operates a planer at the shop, but occasionally tries his hand at the clipper, which is there for the accommodation of all who may have occasion to use it.

When Fires Burn Low

When the fires burn low the house is cold. We shiver and shake and move about. When the vital forces fail the system suffers ---the strength declines---the blood grows thin---resistive power is lost. Cold weather---a natural, healthful stimulant to the vigorous and robust, becomes a thing of dread---a danger. Exposure in this condition means all manner of colds, cougs, chills, neuralgia and rheumatism. To guard against such a catastrophe---to put ourselves in the best possible condition---one of robust, vigorous, health, full of resistive power, the Dr. A. W. Chase Nerve Pills stand as a medicine beyond comparison, furnishing as they do the very elements that go to make one rich in blood, vigorous, strong and hardy.

This shaped box---no other. Signature and portrait of Dr. A. W. Chase on each box. Price 50 cents at dealers or Dr. A. W. Chase Med. Co., 257 Washington St., Buffalo, N. Y.

Mrs. T. Webb, of No. 57 Superior St., Fort Wayne, Ind., says: "Dr. A. W. Chase's Nerve Pills I got at Meyer Bros. & Co.'s drug store, No. 14 Calhoun street, is a very fine all round regulator and tonic to the nerves, blood, digestion and system generally. I felt generally wrong in every way and debilitated, the medicine built me up, steadied the nerves and regulated the liver and digestion finely. I think as I said before it is a fine all round tonic and regulator."

Mr. W. H. Green, of No. 76 Lafayette St., Fort Wayne, Ind., says: "Dr. A. W. Chase's Nerve Pills are excellent. I was debilitated, nervous, appetite flagging and felt below my usual standard of health. The Nerve Pills, however, that I got at Meyer Bros. & Co.'s drug store, No. 14 Calhoun street, proved to be just what I needed. I find my appetite good, nerves steady, sleep restful and a general feeling of well being and energy in evidence. I am very much pleased with the medicine as a nerve and general tonic and glad to say so."

Mr. J. H. Boleus, of No. 136 West Main St., Fort Wayne, Ind., says: "Owing to shock some years ago I have had more or less difficulty sleeping and the nerves were unstrung. I was induced to use Dr. A. W. Chase's Nerve Pills and got some at Meyer Bros. & Co.'s drug store, No. 14 Calhoun street, and am able from the excellent results in the matter of obtaining nerve steadiness and strength and restful sleep to recommend the medicine to others as a reliable nerve tonic."

Speaking of Stoves.

About good stoves that are cheap—we don't keep the other kind.

$10.00

Is the starting point at our store—that's littleness of price, but the stove is all right. It's our MONON Cook. It's a reliable one—trusted and tried. We got it cheap; that's why it goes cheap. Of course there's many more elaborate, but none better and more conscientiously made.
